YES PROGRAM WORKERS look over one of the publicity placards to be used in local restaurants to boost the youth employment program. From left are Mrs. Larry Hilstead, Jay C-Ette external vice president; William Babcock, Jayce

chairman for youth; Larry Mitchell, Idaho Employment Security Agency, and Mrs. Richard Messersmith, Jay C-Ette president. The three organizations work together to help place youths of the area in summer jobs. (Times-News photo)

Senate Favors Troop Cut in NATO Nations

WASHINGTON (AP)—There is strong sentiment in the Senate for reducing U. S. troop commitments to North Atlantic Treaty Organization nations, an Associated Press survey disclosed today. Forty-four senators said they favored eventual withdrawal of a substantial portion of the six U. S. divisions of 255,000 American fighting men massed along the Iron Curtain. But of this group, only 15 said they would cut U. S. forces to a token level of one division at this time.

As suggested recently by Senate Democratic Leader Mike Mansfield.

The question asked senators was: "Do you believe Western Europe should take over its own primary defenses with U. S. ground troops reduced to a token level, why?"

Mansfield said in an interview May 16 that Western Europe ought to be taking over its own defenses. He added that a single division would serve as well as a token of the United States presence on the continent, and as a guarantee of American response to any Communist attack on the West.

Fifteen senators disagreed with Mansfield's position, most of them saying the United States must stand by its treaty commitments to NATO in spite of France's forthcoming withdrawal of troops from the alliance.

Sixteen senators declined to take a public position on the issue, but several of them said privately they favored gradual withdrawal of U. S. troops. Twenty-five senators were not reached by the survey.

There is recent evidence of Pentagon support for cutting out U. S. units in Europe. Secretary of Defense Robert S. McNamara said in a speech last week "The American people are not going to shirk their obligations in any part of the world, but they clearly cannot be expected to bear a disproportionate share of the common burden indefinitely."

The Pipe Trades Council represents Idaho plumbers and pipefitters' locals south of Grangeville.

Contracts between Idaho general contractors and the International Union of Operating Engineers and the International Association of Iron Workers also run out next Tuesday.

Other state projects — plus private work — could be involved, including the new federal building in Boise and a number of school building jobs.

There has been no indication from any of the unions whether they will keep on working after the contracts expire.

Youth Employment Program Organized

Training and experience in work is the vital aspect of the Youth Employment Service, according to Larry Mitchell of the Idaho Employment Security Agency. Acquiring spending money and taking care of leisure time also are important in the YES program, but gaining job experience is what really counts, according to Mitchell. Almost without exception, youth applicants for summertime jobs are willing to work at almost anything. Mitchell said the youths are limited only by a lack of experience.

Youths seeking employment and employers seeking willing young workers are urged to call the employment agency. More than 600 young people already have made job applications and about 100 have been placed.

The average number of applicants in a summer is about 1,000 and Mitchell said about 50 per cent of this number usually is placed in jobs.

The number of dissatisfied employers of YES workers is so small "that it's almost nonexistent," Mitchell said.

One of the major problems facing the employment service is placing girls in jobs. Girls are capable of doing most work that young boys can do, if the employer is willing to give them a chance, he said.

At a Wednesday night organizational meeting with representatives of the Jaycees and Jay C-Ettes, Mitchell cited an example of one employer who realizes the opposite sex is profitable in farm work.

He said a recent application from a general farm hand — dig post holes, ditch, pull corrals, work on fences — was accepted.

"This is the kind of order we would like to see more of," Mitchell said.

Girls, he noted, make excellent bench running teams. They See YES, Page 2, Column 4

Britain Is Investigating Strike Cause

LONDON (AP) — Britain's Labor government today set up an independent court of inquiry into the causes of the national seamen's strike. It will probe the immediate dispute and the basic problems of British ship-

Labor Minister Ray Gunter said the tribunal will begin work in a few days and may make an interim report in the next two weeks.

This would be early enough to provide a neutral view that could help settle the strike, now 11 days old and virtually deadlocked.

The 35,000-member national union of seamen is striking for a 40-hour week package, which amounts to a 17 per cent increase on the current basic wage of \$42 for a 56-hour week.

planning wreaths and their representatives are Spanish American War Auxiliary, Mrs. Ruby Smith; War Mothers, Mrs. Wil-

liam Armitage; Disabled American Veterans Auxiliary, Mrs. Doreen Tullam; Veterans of Foreign Wars Auxiliary, Mrs. Robert Messinger; and World War I Barracks Auxiliary, Mrs. Lois Vice.

Students Set Fire to U.S. Service Building In Defiant City of Hue

SAIGON, South Viet Nam (AP)—Screaming students set fire to the U.S. Information Service building in the rebellious northern city of Hue today. The mob attacked the modern, two-story building after Buddhist leaders at a protest funeral march by thousands assailed the United States for supporting Premier Nguyen Cao Ky's military regime. The U.S.I.S. building was closed and no Americans were injured.

On the war front, ground action was reported at a near standstill and U.S. B52 bombers led the offensive with attacks on four Viet Cong areas. The war scene was dominated by the report of casualties last week, which said that the number of allied battle dead more than doubled and the number of U.S. killed — 146 — was the highest for any week since the Ia Drang Valley fighting last November.

A military spokesman said the high toll was the result of the numerous battalion-size actions during the week rather than any one major engagement. "There were more battalions in the field than ever before," he said.

The allied dead totaled 356 last week, compared with 161 the week before. Spokesmen reported 1,235 Communists killed, a rise of 25 per cent over the week before.

At Hue, smoke belched from the U.S.I.S. building as the flames consumed books, bookshelves and library tables. About 200 students attacked the building, smashing windows with rocks, shattering virtually every window in the building. Then they fired with hand and throw books, furniture, films and other articles through the doors and windows before setting the building afire.

Ky's regime showed no sign of buckling under the Buddhist pressure of sending troops to Hue to quell the rebellion there. Riot police in Saigon quickly blocked an attempt by about 20 Buddhists to demonstrate in front of the U.S. embassy, then scattered them with tear gas.

Thousands had marched peacefully earlier today behind the coffin of a Vietnamese army lieutenant killed during the Buddhist tension last week, but later about 200 students assembled and marched on the U.S.I.S. building.

Newsmen learned students from Hue University called the See VIET NAM, Page 2, Col. 6

Man Is Killed As He Falls Into Mixer

RUPERT — A Rupert man, 23, was killed when he fell into a cement mixer truck at about 5 p.m. at the Bishop Road-Mix Co. in Rupert.

Killed was Paul Edward Jones. He was cleaning the tank with a hose as the mixing blades of the tank were still revolving.

Jack Bailey, who was working about 40 yards away, heard him call out as he fell and immediately turned the machine off.

A cutting torch had to be used to cut away part of the tank to free Jones. He was enmeshed in the tank blades and was killed instantly, according to Mindoka County Coroner Robert Walk.

It was reported Mr. Jones had been trying to reverse while cleaning the revolving tank. He apparently slipped through a hole in the top of the tank.

Paul Edward Jones was born March 30, 1943, at Twin Falls and had worked for the Bishop Road-Mix Co. for the past year as a concrete truck operator.

He served in the Navy from 1960 to 1964, and married Judy March 10, 1965.

He is survived by his widow, Mrs. Jones, Mrs. Dorothy Jones, both of Rupert; his father, Wendell Jones, and a brother, Norman Jones, both Jerome.

Funeral services tentatively are set for Saturday with C. Paul Moore, Christian Church pastor, officiating. Times and place will be announced. Final rites will be held at Sunset Memorial Park, Twin Falls.

Trustee Elected
KETCHUM — Carl Potlacher was elected to his fourth term on the Wood River High School board here Wednesday.

Potlacher received 36 votes and his opponent, Richard Ails, received 67.

He will represent the Ketchum area on the five-man board.

Malcolm Davis received one write-in vote in the balloting.

Johnson Realizes War, Cost Of Living Cutting Popularity

WASHINGTON (AP)—President Johnson is keenly aware that the high cost of living and the Viet Nam war are cutting into his administration's popularity as measured by public opinion polls. In reaction to the polls and other signs, the administration has made several moves to try to show that the rise in living costs has been much lower than in other industrialized nations and that there are

grounds for hope that civil strife in South Viet Nam can be composed and a degree of unity attained.

After his latest survey this week, pollster Louis Harris said that the American public's rating of the way Johnson does his job has fallen to the lowest point of his 2½ years in the White House.

Only 55 per cent now think he is doing an excellent or good job, Harris reported. This is a decline of 7 percentage points from two months ago and 12 points from January.

But Johnson's rating in this poll is still above the low points of the Eisenhower and Kennedy administrations.

And a Gallup Poll released Wednesday night reported that a recent poll of prestige between Johnson and Republican Richard M. Nixon would be closer now than eight months ago.

The poll said 84 per cent of those queried replied they would like to see Johnson win election, while 34 per cent picked Nixon and 10 per cent were undecided. Last September, a similar poll listed Johnson with 61 per cent, Nixon 22 per cent, and 17 per cent undecided. No other poll dates were listed in these polls.

Another recent Gallup Poll posed the question: Should the United States withdraw its troops if the South Vietnamese begin fighting among themselves in a bid for prestige?

The poll said 54 per cent of Americans would favor withdrawal in that event, and only 28 per cent favored continuing to help South Viet Nam.

At a news conference last Saturday, the president was asked "How do you regard some of the very recent polls that show considerable public dissatisfaction over both Viet Nam and the economic situation as to inflation?"

He replied that he believes there is a "concern about inflation" but that he would not let it get into the mind because we are coming close to reaching our objective of full employment.

Church Head Eyes Religion Future in U.S.
DETROIT (AP) — Youthful looking Dr. H. Franklin Paschall, new president of the Southern Baptist Convention, has definite ideas about the future of religion in this country.

He outlined many of them at a news conference Wednesday after his election as head of the nation's largest Protestant denomination.

The 44-year-old Paschall fielded nearly 50 questions ranging from the Negro's part in the Southern Baptist church to Paschall's views on separation of church and state.

Nearly half of the questions dealt with the racial issue. "The new convention head commented, 'I have been distressed over the racial problem, distressed on both sides in the struggle.'"

He said it should be a political and military aspects of the situation. He told an informal news conference today that Johnson had telephoned him Wednesday to discuss the suggestion.

"The President said he had been trying to keep everybody informed of what is going on," Dirksen said. He noted that Secretary of State Dean Rusk and Secretary of Defense Robert S. McNamara had briefed members of both parties on several hours to study of a revised flight plan for their three-day orbital journey.

Later, they planned to run through flight exercises in a mock spacecraft in the control center. They had their flight post-

Summit Meet Suggested by Sen. Church

WASHINGTON (AP)—A Senate Foreign Relations Committee member has called for a summit meeting between President Johnson and French President Charles de Gaulle to help melt "a diplomatic glacier" he said separates the two countries.

Sen. Frank Church, D-Idaho, said "if a summit meeting between the two presidents is not now feasible," then Johnson should send a personal representative to Paris "to reopen and develop a dialogue to the point where a summit meeting would seem likely to bear fruit."

Church made the recommendation in a report on his recent trip on behalf of the committee in London, Paris, Brussels, Bonn and Berlin. During the tour he conferred with Western European leaders, including De Gaulle.

Moral Advice Favored for Birth Control

SUN VALLEY, Idaho (AP)—Moral persuasion as well as education was favored in American birth control programs today by the president of the American Medical Association.

"The problem we face is over production of babies — in this country and around the world," said Dr. James Appel. "The solution is family planning."

There should be no force or coercion, Dr. Appel said. But he said there should be persuasion — particularly of persons who cannot afford large families — to plan their families.

He said ignorance of birth control methods is not the only reason for large numbers of children in some poor families. In Chicago two years ago, it paid an unmarried woman to have more children because she received more welfare money, he said.

Dr. Appel noted that financial remuneration "bribery, if you will," has been used in some countries, including Japan, to encourage family planning.

But Dr. Appel said the AMA is against aiming birth control information programs only at the poor. He said there should be no discrimination on availability of such information.

Gemini 9 Astronauts Are Training for Tuesday Shot

See Picture on Page 33
CAPE KENNEDY, Fla. (AP) — With their Atlas target booster rocket cleared for launching, the Gemini 9 astronauts today made extensive preparations for next Tuesday's second attempt at rendezvous and space-walk mission.

Air Force Lt. Col. Thomas P. Stafford and Navy Lt. Cmdr. Eugene A. Cernan decided to skip a flight rehearsal to devote several hours to study of a revised flight plan for their three-day orbital journey.

Later, they planned to run through flight exercises in a mock spacecraft in the control center. They had their flight post-

poned when an Atlas hurling an Agena target satellite toward orbit suffered engine failure and the \$13 million rocket fell into the Atlantic Ocean.

A review board Wednesday refuted the trouble was caused by an electrical short in a hydraulic valve system valve.

"It essentially was a quality problem," unique in the Atlas, said Charles A. Matthews, Gemini program manager.

Officials said the Atlas that is to launch Gemini 9's substitute target satellite successfully has passed the new tests.

Stafford and Cernan will attempt to catch and dock with the ATDA after a four-hour chase.

Ex-Sheriff of Boise Contests Parking Fines

BOISE (AP)—Former Ada County Sheriff Myron L. Gilbert spent a couple of hours in the Boise City Jail Wednesday.

Now in the advertising business in Boise, he said he did it as a matter of principle, challenging legality of the penalty system in use in Boise covering unpaid parking tickets.

Gilbert had three overtime parking tickets assessed against his car. He refused to pay the normal \$1 per ticket fine, contending his car was not involved in the incidents.

He also declined to pay the \$12 the city said he owed, including penalties.

But after a couple of hours in jail he put up \$22 bond and said he would contest the legality of the procedure in court.

Nurses in New York Are Back to Work

NEW YORK (AP)—The city's public health nurses streamed back to work today after settlement of a three-day walkout.

More than 450 of New York's 482 public health nurses had left their jobs.

The dispute over wages disrupted health services for more than 2,500 preschool children who normally receive medical care and immunizations at health stations.

Mayor John V. Lindsay announced agreement Wednesday night on a 2½-year contract between the city and the nurses.

Under the new contract, the nurses are due to get an immediate \$700-a-year increase, retroactive to Jan. 1, another \$350 July 1, and an additional \$350 Jan. 1, 1967. The increase will bring their salary to a minimum of \$7,100 and a maximum of \$8,900.

The nurses now receive a base salary of \$6,050 a year.

The new contract also increases the hours the nurses work, from the present 35 hours a week to 37½ hours. Lunch will be cut from one hour to 30 minutes.

District Sale Of Bonds Is Told by Aide

James S. Kinney, volunteer district savings bonds chairman, reports that "E" and "H" bonds were the highest nationally last month for April since 1946, while combined sales of "E" and "H" bonds were the highest for the month since 1955.

Kinney reported district sales contributed by totaling \$81,219 for the month. State-wide sales reached \$766,552 during April, as compared with \$657,620 for the month last year. This is the highest April sales record in the state since 1962.

The totals of the savings bonds sales in April for District 3 are as follows: Blaine County, \$5,582; Camas County, \$1,686; Cassia County, \$18,870; Gooding County, \$4,191; Jerome County, \$1,324; Lincoln County, \$2,024; Minidoka County, \$16,157; and Twin Falls County, \$28,405.

Total sales to date in District 3 are as follows: Blaine County, \$19,407; Camas County, \$5,261; Cassia County, \$35,486; Gooding County, \$12,535; Jerome County, \$17,764; Lincoln County, \$7,891; Minidoka County, \$47,284; and Twin Falls County, \$138,621.

Transplant Bones

MOSCOW (AP)—Soviet doctors have developed a new method for transplanting bones, Pravda, the Soviet Communist party paper, reported today.

The method can save some sufferers with bone tumors and other ailments from losing an arm or leg, the paper said.

WILFORD H. (BILL) HERRETT, Filer businessman, is presented an Idaho Small Businessman of the Year. From left are Oliver T. Davis, Boise, head of the Idaho Small Business Administration Office, Mrs. Herrett and Herrett. Davis announced at a Wednesday banquet in Herrett's honor, sponsored by the Filer Kiwanis Club, that Herrett was named a finalist for the national honor, being chosen as one of three finalists from the eight Western States. (Times-News photo)

Idaho Small Businessman Honored at Filer Banquet

Wilford H. (Bill) Herrett, Idaho Small Businessman of the Year, was honored Wednesday by the Filer Kiwanis Club at a recognition banquet in the Filer Methodist Church.

Speakers on the high-powered program, assembled by William Bunce, chairman of the Kiwanis' unit's Business Affairs Committee, uniformly singled out Herrett as an exemplar of the role the American small businessman plays. Each emphasized the importance of his contribution in both the business areas and the areas of community activities and support.

Warren Barry, Twin Falls businessman and member of the State and National advisory committees for the Small Business Administration, called small businessmen the backbone of the nation, and particularly of small communities.

He listed the advantages of the small businessman as the ability to determine his own policy, flexibility and the ability to make instant decisions. As important, he said, is the fact that the small businessman is working to build up his own community, while at the same time creating something worthwhile.

Oliver T. Davis, Idaho regional director of the Small Business Administration, announced the award of the state honor to Herrett, and noted that Herrett had been chosen a finalist for the corresponding national honor. As such, Herrett was one of three men chosen from the eight western states.

Davis told the Kiwanians and guests that small towns throughout the state are faced with declining economies. While larger cities, notably Boise and Idaho Falls, have no difficulty in sustaining a healthy growth.

He cited as a basic need of small communities the revitalization of the small businessman as the key to the economic strength of such communities.

The major problem, he said, is "Rehabilitation of small towns through the increase in productive business."

Trophies Given At Bridge Meet

Trophies were presented at the Magic Valley Duplicate Bridge Club spring party Wednesday afternoon at the Episcopal Church.

Mrs. H. L. Grant and Mrs. A. P. Russell received first place trophies. Mrs. Carl Weaver and Mrs. John Hahn were second. Tied for third were Mrs. H. L. Standee and Mrs. O. H. Weinglich, with Mrs. S. L. Thorpe and Mrs. R. Grimes. They also were the fast winners.

North and south winners were E. C. Montgomery, Mrs. Roy Hill, first; Mrs. R. Frezzelle and Mrs. Joe Shelby, second; Mrs. L. R. Dunken and Mrs. R. E. Watson, third; and Mrs. I. H. Van Riper and Mrs. H. C. Hall, fourth.

Club Meets

KING HILL.—The Wrangler Club met Wednesday evening at the home of the late Mrs. Bud Allen, for a winner roast. Mrs. Stanley Jones, Glenns Ferry was a guest.

The next meeting of the club will be held at the Allen home June 14.

Blames Birds

SAN FRANCISCO (AP)—"It's the pigeons that violated the law, not me," James A. Schroeder had argued before the jury trying him on a charge of illegally feeding the birds.

But the Municipal Court panel Wednesday found Schroeder, 33, guilty of violating San Francisco's new anti-pigeon-feeding ordinance. He'll be sentenced later.

Schroeder, a wildlife enthusiast, had said that he was merely feeding some blackbirds when a bunch of pushy pigeons shouldered through the chowline and helped themselves.

Bill Signed For Railroad Box Cars

WASHINGTON (AP)—President Johnson signed today a bill aimed to encourage building of more railroad box cars, and used the occasion to talk about the effects of the federal tax collection speedup and the possibility of an anti-inflation tax increase.

He seemed to suggest his thinking runs against a tax raise right now.

Johnson said the government expects to take an extra \$13 billion out of the economy this year by means of more nearly current collection of income taxes and increased savings bond sales.

Then he asked, in effect, if it will be necessary to seek an anti-inflation tax boost as well.

"Maybe we should take more out," Johnson commented. "I wish I knew."

But the thrust of his informal remarks added up to another bit of evidence the administration is unlikely to seek higher taxes in the immediate future.

"We are concerned that we don't go too far too fast," he said at one point.

Depositions Taken in Suit On Columnist

WASHINGTON (AP)—The taking of pretrial depositions began today in the \$5 million suit brought by Sen. Thomas J. Dodd against columnist Drew Pearson and Jack Anderson.

In the suit, the Connecticut Democrat accuses the columnists of falsely picturing him as unfit to be a senator, as an agent of foreign interests, as interfering with the award of government contracts in return for bribes, and as unlawfully diverting campaign funds for his own use.

First on the list of witnesses to be questioned was James P. Boyd Jr., a former aid to Dodd. The senator's lawyers say there was a conspiracy under which former Dodd employees removed documents from the senator's files and made them available to the columnists.

The pretrial statement taking is expected to continue for weeks.

Deaf Girl Can't Tell Parents Of Drowning

MIAMI, Fla. (AP)—Raymon Delgado, 3, fell into the Miami River Wednesday before the eyes of his deaf-mute sister and a few yards away from his parents.

The sister, Rosita, 14, rushed up to their parents and tried to explain that Raymon had slipped into the river from a fishing boat.

By the time their father understood and plunged into the water, Raymon had drowned, police said.

CLIFFORD S. GOICOEHEA, JOHN V. SABALA . . . are being sponsored by Kelchum Post No. 115 American Legion, to attend Boys State June 5-12 at Bplke. They are the sons of Mr. and Mrs. John Sabala and Mr. and Mrs. Joe Goicoechea. Both are juniors at Wood River High School.

Tallest Tower

MOSCOW (AP)—The television tower going up here will become the tallest in Europe, the Soviet News Agency Tass reported. When completed next year the Moscow tower and superstructure will be 1,722 feet tall compared with the 1,650 of the Eiffel Tower and antenna in Paris.

WASHINGTON - Operation their customers for substantial

King Canteen—is the cynical name applied to the newly created committee of Economic Advisers to the attempt to hold down prices by providing rationalization. In the auditing view, President Johnson has about as much success in keeping back the price increases. The new ERAKACU frames, washing machines and other products would be reflected in higher-price tags at the retail level.

Privately, the big producers were saying that the way things worked out they would make more profit selling at the lower price increase had not been squashed by the White House. Kaiser Aluminum reported first-

the king who ordered the title to stand and

Maryland Childs

No president has ever tried not to put on the brakes. The familiar picture of the legendary monarch shows him sitting on his throne as the waves try to stop. Mr. Johnson rushes up and down the shore in a ceaseless effort to build dams against

of last year while profits rose 25 per cent.

Something like this happened in the "Little-Boys" war. The government made the same public outcry over proposed price rises. For a time the price held steady, a time when the government was under the pressure of demand for war production, the line began to break down. Some users were paying the world price, which was as high as

the mounting cost of living. His public victories have, in the past, all too often been temporary. Aluminum is an example. Last November, in a widely heralded public campaign, he urged the public on the big aluminum producers to withdraw a price increase. In response to this public appeal they agreed. The President had pulled out all the stops, including a threat to dump on the market a large quantity of surplus aluminum in the government stockpile.

Yet, by the first of the year, the aluminum producers were negotiating new contracts with more than 50 cents a pound and telephone lines and bronze ornamental doors are reported daily being stolen to be sold for this same price.

Prices are currently rising at the rate of 3½ per cent a year, according to estimates of Federal Reserve Board economists. This is believed, however, to be a conservative estimate. The fact is that the world is still warring, and the fighting is expanding war in Viet Nam is still to be felt. While the official cost of that war is put at roughly \$1 billion a month, it is believed to be nearer \$1.5 billion and when, by the end of the year, the war is over, the

want a large and no doubt dominant role in it. But it hardly seems possible that the U.S. will "discourage" Da Nang that it doesn't want a democratic government or any kind of government—but a Buddhist dictatorship.

Therefore, it should not be surprising if Ky and the generals refuse to let the elections occur within a year or for some time after the elections.

Buddhist leaders project a vision not of order but of anarchy.

One thing is sure: the U.S. war against the Viet Cong and North Vietnamese Communists cannot continue if South Viet Nam disintegrates much further into the kind of brainless disorder the Buddhist leaders naively envision.

As Samuelson, of Massachusetts, says in his book of analogies, "The Communist is like the very cool of the economy is by a tax increase. As disciples of the 'new economics,' they argued that a tax on the bourgeoisie in 1964, to stimulate economic growth and sustain prosperity, was a tax on the poor. Then it is logical to use a tax increase as a break to prevent a possible anomaly." Otherwise, he says, the "new economics" will seem to be a one-way street with politics ruling out the dis-

change, and did. But she came back...not to miss any of the fun. As the last guests left the museum at 3 a.m., the building maintenance crews — some still wearing tuxedos — took over. By morning everything was back in order.

A few days later, Rep. H. R. Gross, R-Iowa, criticized use of the Smithsonian for the party. "I was amazed and shocked

agreeable "medicine" of nineteen taxes when there is too much money in the spending stream.

Those watching at first hatched the President's struggle to hold down prices without either controls or a tax boost credit him for efforts that, with little or no publicity, have had some success. Just now the stern, presidential eye is fixed on inflation. While surplus prices have risen, economists outside governmentmen say they have gone up less than they would have if the President had not ridden herd on this important segment of industry.

He is already looking with concern at coal and public utility

lect dance at the Smithsonian with the Rev. Moyers doing the Watusi and Frug and one woman sent home to get dressed because she was half naked," Gross said.

Moyers is an ordained Baptist minister.

The Smithsonian had no comment. --

that could contribute to the rising cost-of living. In view of Walter Heller, former chairman of the Council of Economic Advisers, no president has been so "sycophantic and ingenuous" in attacking the "op" of inflation. But whether this "Canute" can succeed is still an open question.

Bridge by Jacoby

DOUBLE REVEALS WEST'S STRENGTH

A letter from Brooklyn reads in part: "I must be the luckiest player in the world. I made a trap pass over the opening trump and was rewarded by getting a chance to double three no-trump at my next turn. I opened my king of spades and waited to cash in. Instead, my opponent ducked two spade leads, won the third, and then cashed the opening high wave and doubled me."

the combination of a five-card suit, the ace of hearts "in back" of his king and excellent play of his king and excellent play of his king to bring home the type of hand where we don't sympathize too much with him. He just made a bad double.

A lot of people will think that if a man doesn't double, with that West hand he should never double, but this is not so. West violated one of the most important principles of bidding. That is, never double when you jeopardize the bidding.

Cadets at the U. S. Military Academy at West Point, N. Y., will graduate from the academy on June 8. Bailly is the son of Mr. and Mrs. Charles L. Bailly, Hansen, and Harper is the son of Mr. and Mrs. Calvin R. Harper, Buhl.

2 Area Cadets to Graduate From West Point on June 8

Two Magic Valley cadets will graduate from the U.S. Military Academy at West Point, N.Y., on June 8.

They are Cadet Charles M. Bailly, son of Mr. and Mrs. Charles L. Bailly, Hansen, and Cadet Walter G. Harper, son of Mr. and Mrs. Calvin R. Harper, Buhl.

Annie Laurie Home Listed For Sale

LONDON (AP) — Annie Laurie's 17th century home is up for sale.

London agents announced that Maj. Gen. Sir John Laurie, direct descendant of Annie, has decided to let go of the property, Maxwellton House, in Dumfriesshire, on the southwestern tip of Scotland.

Maxwellton House was built on the site of Glencairn Castle where Annie Laurie was born Dec. 16, 1862. Her first suitor, Capt. William Douglas, wrote the love song to her, but she married Alexander Ferguson, the son of a neighbor, and lived to the age of 81.

The house, a big one of about 30 rooms, still has a round tower and several 12-foot-thick walls from the medieval castle. The 800-acre estate includes gardens, parks and six cottages. During World War II it housed units of the Norwegian army.

Japanese Timber Mart Speculated

BOISE (AP) — A vast new market in Japan has produced a new proposal for determining prices on Idaho timber.

James McCracken, of Portland, told the State Land Board Wednesday a Japanese demand has opened a new market for trees used in making pulp.

He suggested one rate for trees which produce good lumber and a much lower rate for lower grade trees.

The board took the proposal under advisement.

McCracken, vice president of Western Forest Industries, asked the board to authorize sale of up to 150 million board feet of hemlock timber in the Priest Lake area.

50,000 Guyanese Cheer as Flag Signals Independence

GEORGETOWN, Guyana (AP) — Floodlights lit up the midnight sky Wednesday night as 50,000 Guyanese cheered as the five-colored flag of Guyana went up in place of the Union Jack, signaling independence for another British colony.

The joyous outburst came after a solemn moment in Queen Elizabeth Park when the British flag was lowered in darkness while bands played "God Save the Queen."

A few persons near the press box shouted, "Down! Down for good!"

Then the lights blazed on, and the bands switched to "Green Land of Guyana" as the new national banner was hoisted. Prime Minister Forbes Burnham wept.

Former Prime Minister Cheddi Jagan, Marxist foe of Burnham, appeared at the ceremony and gave a general surprise embrace to his successor.

Jagan told newsmen: "I have come, as I promised, to honor independence."

Jagan and his People's Progressive Party are boycotting all ceremonies aside from the flag raising and the opening of the first independent Parliament. His Chicago-born wife, Janet, refused to attend the ceremony.

Double Take

PARIS (AP) — President Charles de Gaulle did a double take Wednesday when he saw the anti-Gaullist Democratic Center party but is usually addressed as senator.

"I am happy to see you and welcome you, Mr. President," de Gaulle told the visitor with a touch of sarcasm. Lecaume, in president of the anti-Gaullist Democratic Center party but is usually addressed as senator.

IAS ANNIVERSARY

THE I. G. R. A. T. (Fogosavia) (AP) — President Tito observed his 74th birthday Wednesday amid a flow of congratulations from around the country and abroad. One of the greetings came from Leonid I. Brezhnev, secretary-general of the Soviet Communist party.

North Korean Charges U.S. Spy Group

PANMUNJOM, Korea (AP) — North Korea charged today that the United Nations Command sent a five-man "spy group" across the truce zone in violation of the Korean armistice agreement.

Communist Maj. Gen. Park Chung-hee told a joint military armistice commission meeting that the "armed bandits" fired on North Korean soldiers and tried to abduct them. He said the espionage group crossed the buffer zone in the central front about 35 miles north of Seoul on May 18. He displayed about 20 weapons and equipment he said were seized from the group.

He did not report the fate of the five men but said one of the group was a Korean named Chun Dong-soo.

U.S. Maj. Gen. Joseph Butler said he would investigate the charge and report any findings to the commission.

Crime Fighting Is Organized

NILES, Ill. (AP) — Criminals operating in some Chicago suburbs are becoming "organized" in the consequences of one-for-all and all-for-one crime fighting.

Edward Dennis, in charge of investigations for the Niles Police Department, is the central figure of the system. It is a group of about 300 criminals, Dennis said. Besides the weekly meetings, the system also has files kept in Lt. Dennis' office.

What it all means is that crime-fighting borders have been taken down; each police department is a piece about crime occurring outside its borders and cooperates in solving such cases.

Each month in the Niles courtroom, Lt. Dennis presides over delegates of member departments who come, some of them 30 miles or more and on their own time, to tell of recent crimes in their towns and to hear of happenings elsewhere. Dennis describes a typical exchange:

"One guy will stand up and say, 'We picked up a pretty thief last night but we found some fur coats in the trunk.' Then somebody else will ask, 'Does he drive a red Ford?'"

"Yes," "Well, those furs are from a robbery from over in the north side," Lt. Dennis told the delegates. "It is a system rather than the more formal form organization. It is two years old and has 214 members, but no name. It has redacted in the solving of about 300 crimes, Dennis said. Besides the weekly meetings, the system also has files kept in Lt. Dennis' office.

What it all means is that crime-fighting borders have been taken down; each police department is a piece about crime occurring outside its borders and cooperates in solving such cases.

Each month in the Niles courtroom, Lt. Dennis presides over delegates of member departments who come, some of them 30 miles or more and on their own time, to tell of recent crimes in their towns and to hear of happenings elsewhere. Dennis describes a typical exchange:

"One guy will stand up and say, 'We picked up a pretty thief last night but we found some fur coats in the trunk.' Then somebody else will ask, 'Does he drive a red Ford?'"

The Niles chief, Clarence Emrickson, said Lt. Dennis started the project in 1964 with 12 policemen from a neighborhood. "It was a word-of-mouth thing, bringing in more from surrounding areas."

Emrickson said, "It seemed like the surrounding area never stopped." Now these detectives work as if for one municipality. "I have never heard of another such system anywhere else," the chief added.

A big benefit of the system is that policemen from many areas get to know each other. Then, when an officer is trying to track a suspect in another town, he's not a first-time basis with detectives in charge there.

Each month in the Niles courtroom, Lt. Dennis presides over delegates of member departments who come, some of them 30 miles or more and on their own time, to tell of recent crimes in their towns and to hear of happenings elsewhere. Dennis describes a typical exchange:

"One guy will stand up and say, 'We picked up a pretty thief last night but we found some fur coats in the trunk.' Then somebody else will ask, 'Does he drive a red Ford?'"

WILL GET DEGREE
BOISE (AP)—Gov. Robert E. Smylie of Idaho will receive an honorary doctor of laws degree from Gonzaga University in Spokane Sunday. Norman Martin, the governor's press secretary, made the announcement Wednesday.

Martin said the governor would fly to Denver Thursday to participate in a campaign strategy conference of the Republican Governors Association.

APPEAL DENIED
BOISE (AP)—A Boise woman's appeal for workmen's compensation benefits for her husband's death was unanimously denied by the Idaho Supreme Court Wednesday.

The High Court upheld a decision of the Industrial Accident Board which ruled against Elizabeth Bradshaw.

Mrs. Bradshaw contended her husband's death from a heart attack was caused by an accident while he was working with the Bench Sewer District.

But the court found there was sufficient evidence to support the board in denying the benefits.

ANNOUNCES FUNDS
BOISE (AP)—Gov. Robert E. Smylie announced Wednesday \$25,000 in emergency funds will be made available to ranchers in three western Idaho counties to halt a growth of young grasshoppers.

The governor said Washington, Adams and Boise counties are involved.

The governor also said the U.S. Dept. of Agriculture will make available \$99,192 to fight the grasshoppers.

Ranchers are required to make \$20,000 available in matching funds.

SIGNS PROCLAMATION
BOISE (AP)—Gov. Robert E. Smylie signed a proclamation Wednesday designating June 12 as "Boy's Day" in Idaho.

Tom Blah, executive secretary of the American Legion, said 375 high school juniors from throughout Idaho are expected to attend the affair in Boise.

PURCHASE OK'D
BOISE (AP)—Purchase of one-half block adjacent to the State Industrial Building in Boise was authorized Wednesday by the Board of Examiners.

The Department of Employment will buy the land for \$14,000, using money from its interest and penalty fund. The land will be for future construction needs and for employee parking.

The board also authorized the purchase by the City and County of Boise of \$500 or about 80 acres of land in Kootenai County for use as an addition to the Killarney Lake Wildlife Management Area.

EYE FACTOR
POCATELLO (AP)—Two physicians testified in Fifth District Court Wednesday that emotional stress caused by being erroneously served with an arrest warrant could have been a factor in the death of Ralph E. Davis of Pocatello.

They testified in the \$50,000 damage suit of his widow, Cecelia O. Davis, and sons, Lawrence Ray Davis and Ralph Wesley Davis, against the City of Pocatello and police officer Brent Hirsch.

The Davises contend that Mr. Davis was wrongfully arrested by the city on a warrant for a parking violation on July 2, 1964. He died July 4, 1964. The family claims Mr. Davis became very upset when served with the warrant while already suffering from a severe heart ailment and that this resulted in his death.

INKS ORDER
BOISE (AP)—Judge Fred M. Taylor signed Wednesday in U.S. District Court an order giving the federal government possession of 178 acres of land adjacent to the Kootenai River in Boundary County.

The area, about five miles from Bonners Ferry, will be developed as a national wildlife refuge in cooperation with the Idaho Fish and Game Department.

Taylor's order requires the federal government to put up \$45,000 as the appraised price of the property, owned by W. A. Chubb of Bonners Ferry. The amount to be paid will be determined through condemnation proceedings in federal court.

MAN KILLED
BY THE ASSOCIATED PRESS
A North Idaho man has died from accident injuries in Spokane boosting Idaho's traffic toll for the year to 76.

Ralph Paul Thorn, 23, of Coeur d'Alene, was injured Tuesday in a one-car accident north of Athol.

Idaho State Police said his car failed to negotiate a downhill curve on U. S. 95. The traffic death toll on this date last year was 84.

4 YOUTHS HELD
LEWISTON (AP)—Four Montana youths were held by authorities in North Idaho today following a series of incidents early Wednesday involving two stolen cars.

Kenneth Harter, 18, of Helena, was in custody in county jail on grand larceny charges, a felony.

Three others, two 16 and one 17, were held in the city jail on juvenile charges of being a runaway and vagrancy. Two are from Great Falls while the third is from Helena.

PIONEER DIES
BOISE (AP)—A member of a pioneer family associated with the early history of Idaho was killed in a house fire Wednesday night.

Mrs. Idaho May, Tangarulo died at 87 after a brief illness. Her father was credited with a leading role in moving the state capital from Lewiston to Boise.

ONE RELEASED
IDAHO FALLS (AP)—One of two men charged after a shooting in an Idaho Falls Bar May 23 was released on \$10,000 bond Wednesday after being held for trial before a District Court.

A charge against the other was dropped. Justice of the Peace Ira Corey said Carl Holm, 29, of Roberts, remained in jail during the gun battle in self defense.

James Polson, 42, of Idaho Falls, was bound over for trial on a charge of assault with a deadly weapon with intent to commit murder.

TAKE CENSUS
BOISE (AP)—The special census now in progress will show Boise with a population of more than 70,000, assistant supervisor Wallace Peterson reported Wednesday.

He said with the count nearly complete, the population stands at 68,857.

The census shows the 34,851 record.

INVESTIGATING
IDAHO FALLS (AP)— FBI from Idaho Falls said Wednesday they were investigating alleged incidents in which a man posing as a Social Security agent attempted to defraud money from aged persons.

John Carlson of the Idaho Falls Social Security Office said the man had threatened two persons with loss of certain benefits unless they paid him money. One paid the man \$8, Carlson said. The other refused.

GEN. MAXEY DIES
BOISE (AP)—Idaho Civil Defense director, Brig. Gen. Stewart S. Maxey of Boise, died Wednesday night in Veterans Hospital. He was 69.

Maxey became Civil Defense director in 1962 after his retirement from the Air Force.

In civilian life, Maxey was associated with the law firm of Maxey, Smith and Ewing in Caldwell.

Nobel Prize Scientist Takes Look at Future Conquests

NEW YORK (AP)—Taking a look ahead in medicine, a Nobel Prize scientist today said it isn't "idle day-dreaming" to expect the conquest of most or all of the diseases of man.

The key to molecular biology, particularly in the genetic code that determines all inherited characteristics and the way living molecules often behave, said Dr. Edward L. Tatum of Rockefeller University.

Tatum won a Nobel Prize in 1958 for a vital discovery in molecular biology — that genes regulate certain specific chemical processes in the body.

He is one of four Nobel Prize winners speaking at a symposium on the future of medicine, sponsored by Columbia University and the Merck Sharp & Dohme Research Laboratories. The company is dedicating new research facilities in Rahway, N.J., Friday.

Tatum said the time will come when genes — the units of heredity — can be made to order. With that, and some additional knowledge, "genetic engineering will then be just around the corner."

"Such speculations as these may be considered by some as too idle day-dreaming for a serious symposium," he said. "Yet the phenomena of molecular biology which now are almost taken for granted were not even dreamed of a very few years ago."

Without attempting to cite any timetable for developments, he predicted "most, if not all, viral diseases will be conquered, either through immunological (natural defense) means or by the design and synthesis of specific antiviral chemicals." And some viruses may be turned to man's benefit, possibly to alter faulty human genes.

SALES NOTED
BOISE (AP)—Sales of U.S. Savings Bonds in Idaho during April totaled \$766,550, state chairman Charles C. Adams reported Wednesday.

That increased the total for the year so far to \$2,741,740, equal to 37.1 per cent of the \$7,4 million quota with one-third of the year gone.

SPONSOR LUNCHEONS
BOISE (AP)—The Idaho Press Club will sponsor a series of "Newsmaker Luncheons," Mrs. Betty Benson, president, announced Wednesday.

The first will be next Tuesday with one speaker each from the Democratic and Republican parties. Mrs. Benson said all newsmen in the area and others interested are welcome.

The discussion will be "on the spot" and will last 30 minutes.

Buhl Trustees To Be Sworn In June 10

TRUSTEES—Newly elected Buhl trustees, Harold Traxler and Derek Gantrell, will be officially sworn into office on June 10. At this meeting, the school board will reorganize with a chairman, vice chairman and clerk to be elected.

Buhl school trustees met in special session Monday evening to canvass the ballots in the trustee election. The official canvass confirmed the judges' report which showed in zone 1, Harold Traxler received 20 votes; Ray Carlee, 11 votes, and Eugene Thomas, incumbent, one write-in vote.

In zone 2, Derek Gantrell received 14 votes, Robert Jucker, 87 votes and Fred Haisford, incumbent, three write-in votes.

The board approved a request of the Buhl Jaycees for use of part of the elementary school grounds, with certain conditions imposed, for the midway and carnival to be held in conjunction with the Sagebrush Days celebration.

It was noted report cards for all three Buhl public schools will be mailed to parents next week. Pat Dierker was extended a contract to teach English in the high school next year. Miss Dierker is a three resident and currently is attending the University of Idaho.

Vacancies still existing on the faculty for the coming year include: home economics and mathematics in the high school.

Solve Problem

AND OVER... (AP)—A Church of England vicar, converting an old London double-decker bus into a mobile church with seats for 30 worshippers on the lower level and Sunday School accommodations above, says he has several large housing developments where there are no churches, so we thought this might solve the problem.

—the Rev. Ivor Machin.

Smylie to Attend GOP Conference

DENVER, Colo. (AP)—Three governors—Robert E. Smylie of Idaho, Dan Evans of Washington and John A. Love of Colorado—will participate in a Republican gubernatorial conference in Denver Friday and Saturday.

Sessions will be devoted mostly to campaign techniques, including such subjects as public opinion polls, research, press, radio and television relations, advertising and similar items.

Benoit Announces Court Study Meet

BOISE (AP)—A Citizens Conference for Court Study will be held in Boise June 2-4.

Edward L. Benoit of Twin Falls, president of the Idaho State Bar Association, said Wednesday the conference will study organization and administration of Idaho's court system.

Co-sponsors are the state bar and the American Judicature Society.

Benoit said 60 to 70 citizens would be asked what changes should be recommended to the legislature.

Burley Club Has Annual May Luncheon Meet

BURLEY—The annual May Luncheon and meeting of the Burley Music Club was held in the Ponderosa Inn Conference Room. Members of the past president's assembly were in charge of the event.

Mrs. Robert Carrier, president of the assembly, conducted the activities and was general chairman of arrangements.

A candlelight ceremony was used by Mrs. C. Annett, installing officer.

Officers installed include Mrs. Calvin Heiler, president; Mrs. Kath Harris, first vice president; Mrs. Thomas Wildman, second vice president and Music Week chairman; Mrs. Eward Gibby, secretary; Mrs. Earl Reynolds, treasurer; and Mrs. Richard Dalton, historian.

Mrs. Donald Noron introduced the hymn of the month.

Music for the afternoon included a string trio, Mrs. A. Putnam, violin; Brent Taylor, cello; Marilyn Bray, piano and "The Starlighters," Mrs. C. M. Manning, Mrs. Clint Nelson, Mrs. Paul Brown, Mrs. Wendell McMurray, Mrs. Richard Sorenson, Mrs. Larry Harper and Mrs. Annett.

Assisting Mrs. Carrier with arrangements were Mrs. Robert Cooper, Mrs. Annett, Mrs. Arlie Harris and Mrs. Bruce Ellinger, program booklets and Mrs. Kales Lowe and Mrs. Willard Harpster, decorations.

The Burley Music Club is affiliated with the National Federation of Music Clubs.

Hansen Social Club Convenes

HANSEN—Mrs. J. C. Poe gave the opening exercise at the Excelsior Social Club meeting with a poem, "Take Time," at the home of Mrs. Harley Rountree.

Mrs. Stevens, Florida, visiting Mrs. H. H. Thieme, was a guest.

Hints on decorating the house was the general discussion topic. Mrs. W. F. Anderson thanked the group for cards and the plant during her recent illness.

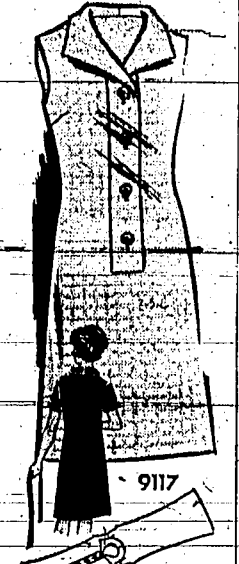

Mrs. Donald Conner presented a program of contest games, with Mrs. Ralph Scott and Mrs. Rudolph Martens winning prizes. Mrs. Rountree received a special gift.

Mrs. Conner is hostess for the June 2 meeting. Mrs. Louis Harris is program chairman, with the topic, "Wedding day experience."

LESSON GIVEN

FILER—Mrs. W. E. Wood presented the lesson on Brazil to members of the Woman's Home Missionary Society of the United Methodist Church at the home of Mrs. Inda Molisee.

Marian Martin Pattern

9117

SIZES 14½-24½

by Marian Martin

DAY-BRIGHTENER

Race from home base to stores to pool in a streamlined skimmer. You'll love it 'cause it's the coolest thing next to causing it all.

Printed pattern 9117: Hair sizes 14½, 16½, 18½, 20½, 22½, 24½. Size 16½ takes 3½ yards. 35-inch.

Fifty cents in coins for each pattern—add 15 cents for each pattern for first-class mailing and special handling. Send to Marian Martin, Times-News, 303 Pattern Dept., 232 West 18th St. New York, N.Y. 10011. Print name, address with zip, size and style number.

Sew for summer fun, flattery, play, travel, work, sport—and everything for every size in two-toned design. 350 designs. Clip coupon for catalog for free pattern. Send 50 cents for catalog.

EMBROIDERY TAKES the spotlight in these spring and summer fashions by Italian designers. Germana Marucelli, Rome, left, and Emilio Pucci, Florence, right. Cocktail dress, left, is completely embroidered in varicolored stripes. Evening dress of silk moire print, right, is worn with hand-embroidered jacket. (AP wirephoto)

Social Events

Ladies Auxiliary of Veterans of World War I will meet for a social meeting at 1:30 p.m. Friday with Mrs. Carl Ritchey, 283 Maurice St.

The Swinging Sixties will dance at 8 p.m. Friday at the Moose hall. Refreshments and table service will be furnished. Officers will be elected.

The Golden Age Club will host a dance and card party at 7 p.m. Friday at the DAV hall. Refreshments and table service will be furnished.

Local Woman's Club Convenes

Mrs. Carrie Modlin welcomed members and guests at the Country Woman's Club dinner meeting at Kato's Cafe.

The program included a reading, "Grandmother Gets the Breaks," by Mrs. L. H. Miller and a skit and harmonica selection by Mrs. Marvin Custer.

Guests were Mrs. Georgia Martin, Mrs. Ada Powell, Mrs. Leslie Anderson, Mrs. John Van Ausdalen, Mrs. Custer, Mrs. Leslie Anderson and Mrs. Paul Longenecker.

An announcement was made that the club's June meeting has been canceled.

New officers for the unit include Mrs. Nora Lewis, president; Mrs. Pearl Allred, vice president; Mrs. Mary Waite, recording secretary; Mrs. Ruth Nicholson, corresponding secretary; Mrs. Margaret Miller, treasurer; and Mrs. Genevieve Bird, reporter.

Anniversary Party Given

Mrs. Edith Pickens hosted a birthday anniversary party for her aunt, Mrs. Annette Frantz, and her two sisters, Sylvia Sharp, Filer, and Golda Hanly, Longview, Wash.

Also present were her other two sisters, Esther Johnson, Stockton, Calif., and Edna Lionberger, White Salmon, Wash.

The three sisters from out-of-state are here to attend the Golden Wedding Anniversary of their brother and sister-in-law, Mr. and Mrs. J. M. Morgan.

Official Visit Made to Area Rebekah Lodge

BURLEY—The official visit of Mrs. Wilfred Benedict, Twin Falls, district deputy president of Rebekah Lodges in district No. 5, highlighted the Buhl Rebekah Lodge meeting at the IOOF Hall.

Mrs. Benedict was introduced to the group by Mrs. L. D. Major, vice grand, and presented a gift on behalf of the local lodge. Mrs. Benedict exemplified the unwavering work and stressed several points of general instructions for lodge work. She urged all eligible members to join the Funeral Aid Association and reminded them of special awards offered by the assembly president.

A report on the high school Pop Club and letterman banquet served by the lodge was submitted by Mrs. Lawrence Robinson and Mrs. Major.

Members completed to serve the senior class banquet.

An invitation was received from Miriam Rebekah Lodge No. 86, Filer, to attend its 50th Birthday Anniversary celebration.

It was noted 22 members have attended services at the First Christian Church in observance of "Go to Church Sunday."

CLUB CONVENES

FILER—Mrs. Earl Johnson was hostess for members of the Four Square Club. Mrs. Larry Schaefer was presented a gift. Mrs. Orville Sackett is hostess for the June meeting.

What makes a good hearing aid GREAT?

The man who does the fitting.

There are a lot of good hearing aids on the market, but how well you hear with any aid depends to a great degree on the ability of the hearing aid dealer to properly "fit" the correct aid for your individual hearing problem.

The services offered by your MAICO dealer reflect Maico's 50-year record of integrity and experience, willingness to stand behind their product, and the care and thoroughness with which Maico selects and trains dealers to serve the hard of hearing. Your Maico dealer is a good man to know if you have a hearing problem.

You can rely on MAICO—Maico Respected Name in Hearing.

ERNEST MCHENNER Twin Falls Idaho

Gold, Silver Star Mothers Are Honored

Gold and Silver Star Mothers were given special recognition during memorial services conducted by Mrs. W. F. Salmon at the May meeting of the Twin Falls American Legion Auxiliary.

Poppy corsages were presented to Mrs. Rose Sinclair and Mrs. Martina Romans, Gold Star Mothers who lost their sons in World War II, and to Mrs. Emma Stone, Mrs. Susan Pratt and Mrs. Pearl Rathbun, Silver Star Mothers whose sons received their Purple Heart during the war.

Mrs. Salmon conducted memorial services for the deceased members of the auxiliary, assisted by Mrs. Joan Johnson who placed memorial poppies in a large white cross as each name was given. Mrs. A. L. Wirsching was pianist.

Members of the American War Mothers were special guests and were introduced by Mr. William Armiga, their president.

Mrs. Christina Peterson reported that two walkers and a wheelchair have been loaned to invalids in the community.

Tzetta McCoy reported that 50 dozen cookies have been donated to the Red Cross Blood Bank Canteen by the American Legion and Auxiliary for the recent blood drawing in Twin Falls.

Mrs. Esther Noble was designated to make evergreen and poppy wreaths for presentation by the American Legion and Auxiliary during the community services Memorial Day.

Mrs. Ivan Johnson announced that the annual poppy sale would be held Friday and Saturday in Twin Falls, with headquarters at the Ragerson Coffee Shop. She announced the winners of the poppy poster contest, stating that first prize winner was Barbara Burkhardt and second prize winner was Michael Brown. Both attend Robert Stuart Junior High School.

Miss McCoy reported that the card party given by the auxiliary this month was a success and that another party will be given June 1. The public will be invited.

Hostesses were Mrs. Johnson, Mrs. Arvilla Corrales, Mrs. W. L. Buchanan, Mrs. W. F. Salmon, Mrs. Susan Pratt and Mrs. H. L. Hurst.

Dinner Held

WENDELL—Mrs. Anna Nicholson was hostess for the Relicta Club for a polluck dinner meeting at the home of her daughter, Mrs. J. H. Freeman.

Plans were made for the June meeting which will be a 12:30 p.m. picnic polluck dinner at the Wendell City Park.

NADINE HILL

Nadine Hill Will Present Senior Recital

JIEYBURN—Nadine Hill, 18, daughter of Mr. and Mrs. Victor Hill, Jieyburn, will present a senior piano and organ recital at 8 p.m. Tuesday at the Paul LDS Chapel.

Miss Hill has studied piano nine years and organ for four years. Her instructors have included Mrs. Arlene Hepworth, Acequia, and Ruth Barras and James Drake, Ricks College, Rexburg.

The piano selections will include "Deep Purple" by Peter de Rose; "Clair-de-Lune" by Claude Debussy; "Scherzo" by Mendelssohn, and "Ritual Fire Dance" by Manuel de Falla. Organ selections will include "Agnus Dei" by John Dunstable; "Prelude in G Major" by J. S. Bach; "Wenn Wir in Hocksten Nollthun Selb" by J. Christoph Bach, and "Priore Notre Dame" and "Toccata" from Suite Gothique, both by Boellman.

The public is invited.

Old Book Nook Hours Listed

The new hours for the Old Book Nook, 121 2nd Ave. E., operated by the American Association of University Women, are from 10 a.m. to noon Monday through Saturday beginning June 1.

It will be closed during the Memorial Day weekend. The shop will be open other times in the day by appointment only.

Anyone wanting to contribute books or magazines can have them picked up by calling 733-2062 or items can be left at the shop. Books or magazines will be exchanged for the rate of two for one.

Students attending summer schools are especially invited to come to the shop and browse.

Officers For Valley FHA Are Installed

DECILO—Officers of the Declo High School Future Homemakers of America were installed in ceremonies at the Declo Gymnasium.

Officers were elected by past officers on stage where Carol Schwaegler, past president, presented each girl a long stemmed red rose.

Serving as president of the group is Sharon Sutton; Gayle Matthews, vice president; Marilyn Osterhout, secretary; Nina Fill, treasurer; April Richardson, historian; Gaylene Taylor, parliamentarian; Judy Stamm, reporter; degree chairman; Mary Jo Rote, recreation chairman, and Nadine Thornton, degree chairman.

Miss Stamm welcomed guests and Patricia Reed reported on the activities of the organization during the past year and of the year ahead.

A style review of clothing the models made in school completed the evening's entertainment, with Carol Schwaegler and Nylen Mitchell as narrators. Accompanist was Susan Emory.

The serving table was centered with a bouquet of long stemmed red roses.

Miss Thornton, Miss Richardson and Miss Fill were in charge of the decorating and refreshments.

Mrs. Ann Christman is FHA advisor.

Rainbow Girls Give Program

FILER—The Order of Rainbow for Girls presented a skit, "Over the Rainbow," at the meeting of the Order of Eastern Star.

Mrs. Raymond Reichert, worthy matron, presided at the business meeting, and Everett Bonnichsen, worthy patron, read the landmarks.

The group voted to donate money to send Rainbow Girls to the Grand Assembly. Several Jay-C-Elite members spoke on the plans and needs for a Filer City Park.

Refreshments were served by Mrs. Earl Moreland, Mrs. Jay Cobb, Mrs. Fred Reichert, Mrs. Cherrice Lancaster and Mr. and Mrs. James Herd.

Attaching a mailing tag to the 80-pound elephant harness stolen while the Carson-Barnes Circus was in Halley last week is Sheriff Orville E. Drexler. The harness was found by Ivan Swanner and Robert Swanner Tuesday while they were cleaning their irrigation ditch about three miles north of Halley. Circus owners have called the sheriff's office long distance each day since leaving the area to inquire if the harness has been found. It will be sent to Seattle. (Times-News photo)

Scientist-Priest Believes In Intelligence 'Out There'

LOS ANGELES (AP) — Does intelligence exist "out there?" A scientist-priest says yes, and speculates some may be angel-like superior beings while others may be "fallen" creatures like ourselves.

The Rev. J. Joseph Lynch, Fordham University astronomer, told a symposium of the American Astronomical Society in suburban Anaheim Wednesday that God's desire to share His goodness "would be better satisfied by having myriads of galaxies inhabited by intelligent beings."

Four hundred scientists and space engineers applauded Dr. Lynch at the closing session of a meeting devoted to technical aspects of "the search for extraterrestrial life."

Mrs. Titus Seeks Jerome County Post

JEROME — Candidacy of Mrs. Frank A. Titus for the office of State Representative from Jerome County on the Democratic ticket was announced by Joe Hauke, Jerome County Central Committee chairman.

Mrs. Titus, daughter of a pioneer, Jerome family, filed a completed petition with the county clerk following her election to candidacy at a meeting of the county central committee.

Holder of a B.S. degree in education from the University of Idaho, she began her political activities on campus, serving as an officer in the Campus Young Democrats organization at the University.

She has served as precinct committeewoman and as state committeewoman for the local group.

Mrs. Titus and her husband, a local businessman, are parents of four children. David, with the U.S. armed forces in Germany, Kathy, (Mrs. Melvin Hewitt), Jerome; Brenda, college junior, and Jerome, a second grader at Jefferson School.

Richfield Cubs Hold Final Meet

RICHFIELD — Richfield Cub Scout Pack 54 held its end-of-the-year outing at Preacher's Bridge, near Carey, on Tuesday.

Mrs. Charles Magister, and den mother, Mrs. Carl Paulson, accompanied the Cubs on the fishing and picnicking trip.

Mrs. Paulson announced Kent Piper, Brent Flavel, Michael Robinson received wolf badges; Clyde Paulson, Lion badge, and Roger Paulson, Bear badge.

Mrs. Paulson announces her resignation as a den mother after five years of service for Pack 54. Mrs. Nell Anderson will take over as den mother when the Cub Scouts convene in September.

DOING FINE
NEW YORK (AP) — New York Hospital reported today that Charlotte Ford Niarchos and her newborn daughter were doing fine.

Commented Dr. Harold Klein, assistant director for life sciences at the U.S. Space Agency's Ames Research Center, who invited Dr. Lynch to speak:

"I confess I am surprised at the positive position taken by him. It is obvious the church is prepared for the contingency we may find intelligent life on other worlds. It is coming to grips with this problem."

Said Dr. Ernan McMullin, professor of philosophy at the University of Notre Dame, also on the symposium panel:

"The possibility of a plurality of worlds has been discussed by theologians since the 14th century."

After men like Dr. Frank Drake of Cornell University's Center for Radiophysics proposed huge radio observatories to hunt for emissions from distant civilizations, Dr. Lynch offered this admittedly theological clincher:

"It seems reasonable to suppose some of our extraterrestrial neighbors would survive the test (of acknowledging God's supremacy) while some, like ourselves, fail as we did in the person of our first parents (Adam and Eve)."

"We could expect, therefore, at least two broad classes of extraterrestrial neighbors: Those who survived the test and those who failed."

Dr. Lynch added there might even be a civilization worse than ours: "A race fallen but not redeemed — a possibility I do not care to entertain — would be far inferior to us."

Mechanical Ventricle Aids Heart

NEW YORK (AP) — A New York City hospital reported today that Mrs. Louis Ceraso continued to show improvement after sitting up in bed several times — only a week after a mechanical auxiliary ventricle was implanted in her heart.

The 63-year-old woman started sitting up in bed Wednesday at Maimonides Hospital in Brooklyn. The hospital said her strength was improving slowly.

Mrs. Ceraso, who suffered congestive heart trouble, had been bedridden for six years before Dr. Adrian Kantrowitz inserted the artificial ventricle May 18. Kantrowitz said the ventricle relieved the heart of 50 per cent of the effort needed in pumping.

Legionnaires to Present Program

HAGERMAN — Members of the Lea-Owley-American Legion Post No. 31, Hagerman, will meet at the Legion Hall at 10 a.m. Monday to be issued rifles for the Memorial Day program to be held at the cemetery at 11 a.m.

All Legion members are urged to participate in this memorial to veterans, according to Cmdr. Merle Owley.

Graduation Is Held for Declo Class

DECLO—Commencement exercises for 28 seniors of Declo High School were held Tuesday evening at the Declo LDS Ward Chapel.

Invocation was given by Carol Schwaegler, class member. Colors were posted by Alan Clark, Dorel Bywater and Karl Darrington. Mrs. Bruce Turner played the processional and recessional music.

The salutatory address was given by Susan Darrington on the topic, "A Breathless Moment in History." Darrington gave the valedictory speech, "Optimism vs. Pessimism."

Honor speeches were given by Jon Goodman, Deldre Bell and Sharon Amende. Musical numbers were presented by Katie Hollenbeck, accompanied by Georgin Newman; a solo by Glen Eldred; and chorus selection by the Starlighters.

Leo Wickel read the class history with the class will read by Jeanne Darrington. Fred Wood, class president, presented the class prophecy.

Merrill Robinson, Declo High School principal, introduced special guests, Reed Bower, Glen Anderson and Phillip Nelson.

Bower presented the Cassia National Bank scholarship to Deldre Bell. Leo Wickel received the scholarship awarded by Glen Anderson, representing the Idaho Bank and Trust. Phillip Nelson, on behalf of the Exchange Club of Burley, presented an award to Fred Wood. Judi Ward was recipient of the Morgan Lindsay special award, presented by Robinson.

Other special awards were presented by Robinson to Dennis Thornton, Pamela Fuqua, Susan Darrington, Mike Matthews, Jeanne Darrington, Larry Slagel, Nilene Mitchell, Sharon Amende, Lorine McGraw, Judy Osterhout and Jon Goodman.

Honor student awards and pins were presented to Susan Darrington, Pam Fuqua, Deldre Bell, Sharon Amende and Jon Goodman.

Leadership award and pin was presented to Lee Wickel. Receiving the citizenship award and pin was Fred Wood. Special athletic awards were presented to Goodman, Mike Matthews and Gene Fries.

Sportsmanship awards were presented to Dale Turner, Kurt Stimpson and Nelson Richardson. Recipients of the service award pins were Jeanne Darrington, Susan Darrington, Judi Ward, Dennis Thornton and Pam Fuqua.

A gift was presented by Fred Wood, class president, by Susan Darrington, on behalf of the senior class.

Fred Wood presented gifts of appreciation to Mrs. Bruce Turner and Ben Chantura, class adviser, who expressed his appreciation to Robinson and Lowell Turner, past principal of Declo High School.

William Darrington, member of the Cassia County School Board, presented diplomas to Sharon Amende, Karl Anderson, Deldre Bell, Phillip Chamberlain, Jeanne Darrington, Nan Darrington, Susan Darrington, Gene Fries, Pamela Fuqua, Jon Goodman, Eddie Hatch, Mike Matthews, Lorine McGraw, Nilene Mitchell, Thomas Novosel, Judy Osterhout, Nelson Richardson, Walter Rose, Carl Schenck, Carol Schwaegler, Larry Slagel, Kurt Stimpson, Gale Thompson, Dennis Thornton, Dale Turner, Judi Ward and Lee Wickel.

Motto of the graduating class was "Our interest is in the future, because we are going to spend the rest of our lives there." Class colors were red and white with the red rose as the class flower.

The senior class sang, led by Susan Darrington, with Shauna Turner as accompanist.

Class officers were Fred Wood, president; Susan Darrington, vice-president; Deldre Bell, secretary, and Carol Schwaegler, treasurer.

Benediction was given by Thomas Novosel.

ACCEPTING A FAREWELL gift from her students Wednesday afternoon at Harrison Grade School is Beulah Way, left, principal, Vicki Balr, daughter of Mr. and Mrs. Guy Balr, 471 Jefferson St., presented the gift, a piece of luggage, at special recognition ceremonies at the school. Each class also

Students, Teachers Honor Beulah Way on Retirement

The end of this school year marks the retirement of Beulah Way who has taught in the Twin Falls school district for 41 years.

Miss Way has played a part in the shaping of over 22,000 children's lives since she came to Twin Falls in 1924. She became

principal of Lincoln School in 1931, a position she held until 1956 when she was transferred to Harrison School.

Prior to coming to Twin Falls, Miss Way was graduated from a Missouri teachers college and taught for six years before moving to Idaho.

Wednesday afternoon the students at Harrison School honored Miss Way, their principal, and presented her with a piece of luggage, and cards they had made in class.

Miss Way was honored by the teachers at the school Wednesday evening with a dinner at the Holiday Inn. They presented her with the remainder of the luggage at the dinner.

The respect and admiration these students and teachers hold for the retiring principal was evidenced not only by gifts, but by words and expressions as they bid her a happy retirement.

WASHINGTON (AP) — "Any ticket the Republicans nominate in 1968 can win if present trends continue," Richard M. Nixon said today.

Talking with newsmen as he arrived on Capitol Hill for a luncheon, the former vice president repeated his criticism of tactics being used in Viet Nam, but said "I believe the greatest political danger to the (Johnson) administration is its failure to deal with economic problems."

"We are running the risk of wiping out all the gains of the past 10 years if we do not move decisively on the inflation front now," he continued. "I believe there is inflation now and it could be followed by recession in 1967."

He said he thinks the reports by top polls of a drop in the public's estimate of President Johnson's performance "is due to many things, not only Viet Nam — to indecisiveness in many areas, for example the economic."

Nixon fended off questions about his possible plans for the presidential campaign in 1968.

ture, because we are going to spend the rest of our lives there." Class colors were red and white with the red rose as the class flower.

The senior class sang, led by Susan Darrington, with Shauna Turner as accompanist.

Class officers were Fred Wood, president; Susan Darrington, vice-president; Deldre Bell, secretary, and Carol Schwaegler, treasurer.

Benediction was given by Thomas Novosel.

made cards which they gave to Miss Way, who is retiring after 47 years in the teaching profession. Miss Way also was honored at a dinner Wednesday evening at the Holiday Inn. The teachers at the school gave her the remaining pieces of luggage at that time. (Times-News photo)

Drive Ends

BUIH — The Cancer fund drive for the Buih area will conclude this week, according to Rev. H. B. Thomas, campaign chairman.

However, because of lack of volunteer workers, the entire community has not been canvassed. Persons who have not been contacted and wish to

make a contribution are urged to give their donations either to a member of the Lions Club or Lady Lions or to Louis Monahan at Farmers National Bank.

WILL GRADUATE
RICHFIELD — Cadet Melvin R. Fivell, son of Mr. and Mrs. William E. Fivell, Richfield, will be among the 107 men graduating from the United States Merchant Marine Academy on June 1.

SON SELECTED

WENDELL — Larry K. Bright, son of Mr. and Mrs. Glenn Bright, Wendell, and English instructor at C.M. Russell High School, Great Falls, Mont., has been selected to attend the National Defense Education Act Institute for advanced study in English at Iowa State University, Ames, Ia., this summer.

Wood River School Has Final Events

HAILEY — Wood River High School held its 70th annual Commencement exercises Monday night with Gov. Robert E. Smylie as speaker.

Fred Gray, student body president, gave the invocation, and Gledin Henschman, senior class president, offered the benediction.

Mary Karen Dietrich gave the valedictory address and Dillard Douglas, the salutatory address. Sylvia Bladen and Eugene Torron sang solos, with Jeffrey Gratten and Wendy Roubicek as accompanists.

The school chorus and band performed. The senior class party was held at Trail Creek club after the exercises.

John Martin gave the invocation and benediction at Inca-Laureate services Sunday. Richard Price, school music instructor, directed the chorus in two numbers and the band in the processional and recessional.

Rev. Francis Donhardt was the speaker. Cecelia Quenell was soloist and Jeffrey Gratten the accompanist.

WILL GRADUATE
RICHFIELD — Cadet Melvin R. Fivell, son of Mr. and Mrs. William E. Fivell, Richfield, will be among the 107 men graduating from the United States Merchant Marine Academy on June 1.

CATHERINE RUFFING

daughter of Mr. and Mrs. Ray Ruffing, Castleford, has been selected by the board of directors of Northwestern Idaho College Foundation, Inc., to receive a \$600 scholarship to any Idaho institution for higher education.

Miss Ruffing is a 1964 graduate of the Castleford High School and plans to attend Idaho State University, Pocatello, where she will major in English.

Bachelors Festival Held In France

ESPARROS, France (AP) — Nearly a thousand unmarried women are expected to flock into the Esparros region of the Pyrenees this weekend in search of husbands.

They are coming to a "bachelors festival" which more than 500 lonely men in the region of southwest France are holding. The festival is held in restaurants for miles around will be swamped. The gendarmes are sending 100 men, 10 radio trucks and a helicopter to handle the crowds.

The village priest of Esparros, who hasn't rung the wedding bells for four years, is looking for plenty of ringing in the coming months.

This village of 240 has 26 bachelors, most of them 30 to 40 years old. It was among them the festival idea began. They got tired of going home alone, having dinner with aged parents, and going to bed early.

Mayor M. Duthu talked it over with the priest. They organized a committee and set aside May 29-30 for the affair.

Both issued official invitations to single women. The mayor through official channels to all the other town halls of France, the priest to other churches.

Each visitor will receive a white numbered corsage. The first step will be to find the bachelor with the same number on his boutonniere.

Mass will be celebrated Sunday in the open air as the church is too small. At noon the village officials will hold a wine reception. Then comes "dancing until dawn."

Auto Industry Cuts Units From Plans

DETROIT (AP) — The auto industry, facing the task of selling the greatest inventory of new cars in its history, reportedly has cut 100,000 units from production schedules.

The report came Wednesday from Ward's Automotive Reports, an industry trade publication. It said the cutback is in addition to an estimated 175,000 units Ward's said were chopped from production schedules two weeks ago.

The industry in the past week has revealed two significant figures:

— It sold 242,407 cars in the May 11-20 period, about 3,000 units behind the corresponding total for the same period of 1965.

— And its inventory of unsold cars passed the 1 million mark for the first time in history. Ward's said the cutback of 100,000 cars "does not include all four major auto makers," but the trade paper did not name which firms were to cut down on production.

Korean War Turncoat Is Returning

HONG KONG (AP) — Korean War turncoat Clarence Adams arrived in Hong Kong today, leaving only two of 21 self-exiled former American prisoners of war in Communist China.

Adams, from Memphis, Tenn., crossed the Loma border bridge 23 miles north of the city with his Chinese wife and their children, Louis, 3, and Della, 4.

Nicholas Platt, a U.S. consulate official met them at the border and took them to an undisclosed hotel.

The consular had been expected to have Adams since the Chinese notified the Hong Kong Red Cross he would cross the border May 9. But Adams' old newspapermen had not planned to leave China until this week.

"I think maybe there was a mistake in the date," he said. The turncoats, still in China are Howard Adams, no relation to Clarence, of Corsicana, Tex., and James Veneris of Hawthorne, Calif. One of the former war prisoners who chose to remain with their captors died in China, two left via Europe and 15 others preceded Adams across the Hong Kong border.

The last was Morris Wills of Fort Ann, N.Y., who crossed last Oct. 19.

Adams said he did not know whether Howard Adams and Veneris were planning to leave China.

"I have been working at the foreign language press," he said. "They are studying at Peking University, and I've had very little contact with them for many months."

Adams said he and his family would fly to the United States "just as soon as our travel documents are ready and my mother sends us the travel money which she wrote she would send as soon as we reached Hong Kong."

A U.S. consulate spokesman said issuance of travel documents for the family could take from one to three weeks.

While Adams talked to Platt, Mrs. Adams, the former Liu Lin-fang, told newsmen in Chinese they had decided to leave China "because Adams wanted to see his mother, Mrs. Gladys Peoples of Memphis."

"He has not seen his mother since before he went to war 16 years ago," Mrs. Adams said.

RANSE HERZINGER has been selected president of the Castleton student body for the next year. Other officers named are Douglas Johnson, vice-president; Carolyn Poturba, secretary; Bill Quigley, treasurer; and Connie Glander, mascot. Varally cheerleaders are Dorothy Easterday, queen; Cindy Herzinger and Teresa Ruffing.

Housing Official Speaks in Buhl

BUIH — Mrs. Morie Harrington, assistant for community programs, Department of Housing for Urban Development, San Francisco regional office, met with the Buhl City Council and Housing Authority Board Tuesday evening to explain the workable program application which is necessary for obtaining federal aid for a senior citizen housing program for Buhl.

Mrs. Harrington recommended that a uniform housing code for health and safety be adopted for the city and that a planning commission composed of representative citizens be appointed to serve in an advisory capacity to the city council.

These are the necessary workable tools which must be functioning in order for the senior citizen housing program application be approved by the federal government, she asserted.

2 American Soldiers Die In Accidents

SEOUL, Korea (AP) — Two American soldiers were killed in separate accidents and 18 others were injured, seven of them seriously, the U.S. Army announced today.

Names of the dead and injured were withheld until the next of kin are notified.

The Army gave this report of the incidents:

— A soldier of the 7th Infantry Division was killed today when the truck he was driving overturned during a field exercise. Six soldiers aboard the truck were seriously injured and 11 others sustained minor injuries.

During the same exercise, another soldier stepped on a land mine and his right foot had to be amputated at an Army hospital Wednesday. His condition was reported satisfactory.

A soldier of the 2nd Infantry Division died after suffering a skull fracture when he accidentally touched a power line while pointing an archway and fell off a ladder.

What Next?

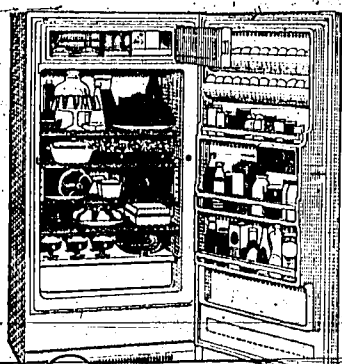

CEDAR RAPIDS, Iowa (AP) — The City Council received two letters recently from the Fire Department. The first, from Asst. Fire Chief Bob Ellison, urged the council to ban public fireworks displays as a safety precaution.

The second letter was from Fire Chief Hesse Himm.

He requested council to issue a fireworks permit for Firemen's Night at the ball park.

ADMIT WOMEN
EDINBURGH, Scotland (AP) — The General Assembly of the Presbyterian Church of Scotland voted Wednesday night to admit women as elders.

Today's Market and Financial Report

Thursday, May 26, 1966 Twin Falls Times-News 19

Stocks

NEW YORK (AP)—The stock market closed with an increasingly mixed pattern today after backing away from an early rise. Trading was moderate. Steels remained ahead on balance on reported prospects for a strong steel year.

A number of key stocks sagged, showing minor signs. So did many of the major issues which had been well ahead in early trading.

Profit-taking overtook the market as it tried to make its first straight daily advance. Here was the picture near the close:

Volume for the day was estimated at 6 billion shares compared with 6.83 billion Wednesday.

The list was meeting increasing pressure on its recovery as it sought to push its way into the fifth straight session.

Steels held a solid front of gains, most of them very narrow, on news of booming steel production. Aerospace issues were active. Copper advanced on balance, trimming some of its gains.

The glamor stocks were much in demand, despite an occasional casualty. Magnavox, up about 1/2, headed as the volume leader. Boeing rose 2, Motorola nearly 7. Texas Instruments about 2 1/2. Grand Airways 4.

Corning Glass ran up 10 points. Polaroid dropped 2, Xerox about 1/2. Raytheon a fraction. Du Pont was unchanged.

Responding to stock splits, General Electric gained about 2 1/2, and Cincinnati milling around 2 1/2.

Up about a point were Amstar, Santa Fe, American Can, Douglas Aircraft, Fairchild Camera, Howard Johnson, McDonnell Aircraft and Merrill Lynch. Air Lines dropped 1/2, and United was off a fraction.

Northwest Airlines and Mississippi River Fuel were up about 2 each.

Prices of the American Stock Exchange were generally higher in active trading. U.S. government bonds were generally unchanged.

Closing Quotations

NEW YORK STOCK EXCHANGE

NET RESULT of an 18-minute struggle between a 22-pound Chinook Salmon and Gene Hawkins, Mackay, wound up in happy fashion at the Sunbeam Dam pool Sunday. Above, Hawkins sets the hook as the big salmon mouthed the wall.

of fresh salmon eggs hiding a treble hook. Hawkins is forced to drop down a small flight of stairs to a more tenable fighting platform as the Chinook heads for the riffles at the end of the pool. When the fish escaped out of the pool the tiring Haw-

kins sat down to wage a steady pulling fight which after 10 minutes brought the lunker back into deep water. Minutes later the battle was decided in Hawkins' favor when Marv Herman, Mackay, slipped a net around the fish and started up the

rocky hill. Below, the strain of holding the fish following the fight is shown in the face of the tired, but successful angler. The spring chinook salmon run is about two weeks to a month earlier than usual this year. (Times-News photo)

7-Run Inning Lifts Cards Past Cubs 9-1

ST. LOUIS (AP) — Curt Flood capped a seven-run seventh-inning uprising with a grand-slam homer as the St. Louis Cardinals broke open a 2-1 game and carried right-hander Nelson Briles to a 9-1 victory over the Chicago Cubs Wednesday night. Bob Tolan snapped a 1-1 tie with a run-scoring triple in the fifth inning. The blow came off starter Ken Holtzman, who allowed only three hits in his six innings.

Twins Snap Boston Win Skein at Six

BOSTON (AP) — Jimmie Hall lashed a two-run homer off Dick Radatz in the 10th inning, giving Minnesota a 7-5 victory over Boston Wednesday night that snapped the Twins' five-game losing streak and ended the Red Sox winning streak.

Indians Bury Tigers Under 13-2 Assault

DETROIT (AP) — Chico Salmon hit three run-scoring singles and Sam McDowell and Tom Kelly checked Detroit on five hits, leading the Cleveland Indians to a 13-2 victory over the Tigers Wednesday night. Cleveland Manager Birdie Tobbetts announced he was playing the game under protest. He claimed the umpires refused to allow Kelley to warm up in the bullpen when McDowell left the game in the second inning after straining a muscle in his left shoulder.

Record Salmon Run Eases Memory of Closed Season

SUNBEAM — The gloom of last year is gone. The Chinook Salmon are back in good numbers and the fishermen aren't far behind.

Since the emergency closure of 1965, the commercial morale along the Salmon River has been down. With no salmon fishing the number of tourist-fishermen entering Stanley Basin was well down despite the heavy trout planting.

But as news began arriving this spring from the ice that for Dam counting house, the last place the Chinooks are seen before entering the River of No Return, the economic outlook for the area rose sharply.

The Chinooks were early and Oregon still hadn't really decided how to get spawners up river and still satisfy commercial fishermen at the same time.

The progress of the record run — in excess of 33,000 compared with the all-time low of 11,000 last year — was followed upstream by reports of fishing success.

Then May 17, well in advance of the usual arrival, Roy Hughes, co-owner of the Sunbeam resort, was among the first to announce "the salmon are here."

Wild Throw, Balk Let Sox Edge Orioles

CHICAGO (AP) — The Chicago White Sox cashed in on a wild throw by catcher Andy Etchebarren and a balk by pitcher Steve Barber for two runs in the seventh inning and a 3-2 victory over Baltimore Wednesday night.

Minutes later Gene Hawkins, Mackay, who once pulled two 40 pounders out of the hole in a Peck Austin, Twin Falls, pulled a 22-pounder Sunday and then immediately headed downriver. Just the tip of his pole to a singing line off the reel and lunker he never had a chance of turning. He later told Hughes broke out of the pool and into the riffled, shallow water before 20 years and never latched on.

Despite snow flurries, wind-misted fast-fish-a-companion and Gold the fishermen went back to their ramps above the big male made its dash. "Oh, oh, you've lost it in day. One man made contact in about 10 minutes but the big salmon broke the line in one and pry roll at the surface."

Hawkins began a tug-of-war with the salmon and for 10 minutes steadily, almost tenderly, pulled the fish up, gaining one to three turns of the reel with each tug. Finally the fish came safely back into the pool and eight minutes later Herman scooped it out of the water with a large net.

Surprisingly the fish was fairly caught, the treble hook deep in its lower jaw. The fresh salmon eggs had done their work exactly as planned although seldom does the plan work in waters where at least 90 per cent of the fish caught are snagged.

Estimated in the 22 to 25-pound class, the big Chinook provides the substance that should again fill the banks of the Salmon River with anglers from all the intermountain states.

But offsetting the enthusiasm of the big steelhead and spring Chinook runs is the unwelcome news from Oregon fishery biologists that the summer run is expected to be well down. Should such be the case, it is probable that there will be at least some restriction on those reaching Idaho's spawning beds. Perhaps another full closure, although no one would want to see it come to that.

Meanwhile, the counting continues on the Columbia and Snake River dams. The summer fishing story will be told in those figures.

And perhaps the hardest thing to forget is what will the 1969 run be like — the one spawned by the all-time low run of 1965.

THE TIMES-NEWS

SPORTS

Charlottown Is Winner Of Richest English Derby

EPSOM, England (AP) — Charlottown, an English-owned colt ridden by grandpaw Scotch Breahey of Australia, won the 187th running and richest English Derby Wednesday with American-owned Black Prince third in the field of 25 3-year-olds.

Alou, Mota Haunt Giants, Pirates Win

SAN FRANCISCO (AP) — Former Giants Mota Alou and Manny Mota turned on their ex-mates with home runs Wednesday, bringing Pittsburgh a 3-2 victory over San Francisco.

Charlottown had shoe trouble. An emergency call went out for a blacksmith. Breahey, 52 years old but with nerves of a man half his age, waited patiently.

The colt was re-shod with the start-delayed 15 minutes. Black Prince, a 20-1 shot, led nursing the eighth pole but Charlottown, 5-1 in the betting, mastered the American-owned horse and then stayed off the closing challenge of Pretendre, highly regarded at 9-2, in a neck-and-neck charge to the finish line.

Second-place was worth \$24,043 and third \$12,740. A crowd estimated at 250,000, including Queen Elizabeth, Queen Mother Elizabeth and Prince Philip, watched the race from which horses from the European continent were barred because of an epidemic of swamp fever.

Charlottown's time was 2:37.62, nearly four seconds off Mahmoud's record of 2:33.8 set in 1936. The winner is a bay colt by Charlottesville out of Meld and is trained by Gordon Smyth.

Alou, Mota Haunt Giants, Pirates Win

Trailing 1-0 after Willie McCovey's solo homer off Don Schwall in the second, the Pirates struck in the fifth when Alou and Mota each connected off starter and loser Bob Shaw. McCovey hit his second homer of the day off 21 Roy Face in the ninth.

Wild Throw, Balk Let Sox Edge Orioles

CHICAGO (AP) — The Chicago White Sox cashed in on a wild throw by catcher Andy Etchebarren and a balk by pitcher Steve Barber for two runs in the seventh inning and a 3-2 victory over Baltimore Wednesday night.

Tom Agee led off the seventh with a single, only the fourth hit off Barber. He stole second and scored when Danny Cater laid down a bunt near the first-base line and Etchebarren rifled it into the dirt in the throw to first.

John Romano, who blasted his fourth homer in the second, scored the second White Sox run of the inning. He was safe on a fielder's choice and went to second on Gene Freese's hit. He reached third on an infield out and came home on Barber's balk.

Baltimore 100 100 000-2-8-1 Chicago 010 000 20x-3-5-1 Barber, Walt (8); and Etchebarren; John, Fisher (0) and Romano, W. — John 3-2, 1-1; Barber 2-2.

Seven "Rookie" Drivers Gain Starting Nods for Indianapolis 500 Race

INDIANAPOLIS, Ind. (AP)—Seven rookie drivers—considered veterans outside Indianapolis—will crack the big time in the 50th 500-mile classic May 30. "You're nobody until you've run this thing," said Mel Kenyon of Davenport, Iowa. "It really makes you a somebody." The last time a rookie hit the winner's circle at the Indianapolis Motor Speedway was 1927 when George

Priest Stays Close To Needs at Raceway

INDIANAPOLIS, Ind. (AP)—A quarter-century at the Indianapolis 500-mile auto race but he's never seen a wheel turn. The Rev. Leo Lindaman, priest at St. Christopher's Catholic Church in the town of Speedway, has stationed himself at the Indianapolis Motor Speedway hospital for every May Memorial Day race since 1937.

"I never made myself a nuisance," said the 69-year-old Father Lindaman. "I just try to stay nearby. If they need me, they'll find me."

He was referring to drivers, car owners, mechanics, their wives and children.

Father Lindaman, who built the church named for the patron saint of travel, wasn't an avid race fan before moving to the parish from St. Francis, Ind.

"I used to enjoy listening to the races on the radio, but I wasn't a particular fan," he said. "However, my first year here I was at the track every day during the month of May."

Despite the grime and administering last rites to drivers, the elderly white-haired priest has high praise for the race and its car safety innovations—seat belts, brakes, tires—which are tested at the track and transferred to the highway.

"I've been there since the race after race without an injury. If drivers observe the rules, there's rarely an accident. The same thing holds true on the highway."

Father Lindaman has blessed cars, drivers, owners and mechanics during practice and qualifications for many years. He has presented St. Christopher's medals. He has even married a few of the racing breed.

But he has turned most of the pre-race activities over to his assistant, the Rev. Paul Richter.

Father Lindaman talked fondly of drivers he once knew—Chet Miller, Walt Brown, Eddie Sachs, Bill Vukovich, Wilbur Shaw, Rex Mays—all died while racing except Shaw, killed in a plane crash.

Father Richter said: "I try not to get too close to the drivers. It tears my heart out when they're out there and the yellow light goes on. And when it does, you say a quiet prayer."

"It's too late," said the elder priest, "to say a prayer then."

Brave Errors Pave Way for Reds' 6-2 Win

CINCINNATI (AP)—Cincinnati scored two runs on a pair of sixth-inning errors by Woody Woodward and Milt Pappas recorded his fourth straight home run to lead the Reds to a 6-2 victory over the Atlanta Braves Wednesday night.

Behind 2-1, the Reds scored three runs in the sixth on only one hit. A sacrifice fly by Pappas scored Art Shamsky with the tying run. Shamsky had walked and advanced to third on a single by Lou Cordenas and a sacrifice by John Edwards.

Tommy Helms then walked with two out. Woodward committed his first error of the inning on Pete Rose's grounder, permitting Cordenas to score. Vada Pinson was walked intentionally to load the bases. But Woodward then fumbled Gordy Coleman's grounder, allowing Helms to score.

Pappas scattered five hits in bringing his record to 4-2. Tony Cloninger was the loser and is now 3-5.

Atlanta 010 001 000—2 5 3 Cincinnati 010 002 028—6 7 0 Cloninger, Oliver (8), O'Dell (8), Carroll (8) and Pappas (4) led off. W—Pappas 4-2, L—Cloninger 3-5.

A's Rally in Sixth, Drop Senators 3-1

WASHINGTON (AP)—Ed Charles' first home run of the season touched off a three-run rally in the sixth inning, giving the Kansas City Athletics a 3-1 victory over Washington Wednesday night.

Charles led off the sixth with his home run off ex-Kansas City pitcher, Diego Segui.

Joe Nasek followed with a single and Fred Talbot was safe when catcher Paul Casanova threw his sacrifice bunt into right field. Nasek scored on Wayne Causey's sacrifice fly and Talbot scored on Ken Harrelson's double.

The Athletics used five pitchers in holding the Senators, to one in on three hits.

Kansas City 000 003 000—3 8 1 Washington 000 100 000—1 3 3 Talbot, Dickson (7), Krause (7), Lindblad (7), Aker (8) and Bryan; Segui, Lines (8), Humphreys (8) and Casanova, Carroll (8). W—Talbot 2-4, L—Segui 1-3.

Home runs — Kansas City, Charles (1).

Mantle Hits Two Homers, Yankees Win

NEW YORK (AP)—Mickey Mantle drove in five runs with a pair of homers as the New York Yankees overpowered California 11-6 Wednesday night for their sixth victory in the last seven games.

Mantle crashed a two-run homer off Dean Chance in the first inning and connected with two on off Lou Burdette in the sixth after the Angels had cut the Yankees' lead to 2-6. The homers sent Mantle past Stan Musial into eighth place on the all-time list with a total of 477.

It was the first time since Aug. 12, 1964, that the switch-hitting slugger homered twice in one game.

The Yankees spotted the Angels three runs in the first inning, but the deficit to 3-2 on Mantle's first homer and moved in front to stay in the fourth on Elston Howard's two-run double and a two-base throwing error by California catcher Bob Rodgers.

California 300 003 000—6 10 2 New York 200 323 018—11 14 0 Chance, Burdette (6), Egan (7) and Rodgers; Downing, Ramos (2) and Howard. W—Downing 4-3, L—Chance 3-4.

Home runs — California, Knop (7). New York, Mantle 2 (4).

Astros Roll To 7-1 Win Over Mets

HOUSTON (AP)—Dave Nicholson collected his third homer, a double and two singles and batted in two runs in support of Larry Dierker's pitching in a 7-1 Houston victory over the New York Mets Wednesday night.

Dierker, bringing his record to 2-0, allowed five hits, struck out eight and walked two.

The 4-for-4 spree sent Nicholson's average to .333. Nicholson's double triggered a two-run start by the Astros in the second inning. Felix Mantilla was hit by a pitched ball and John Bateman singled to left to score Nicholson. When the ball got away from Cleon Jones for an error, Mantilla also scored.

In the third inning, Nicholson singled home Sonny Jackson, who had walked, stolen second for his 14th stolen base and gone to third on an infield out. Bob Aspromonte's double, a sacrifice and Rusty Staub's sacrifice fly added a run in the fourth.

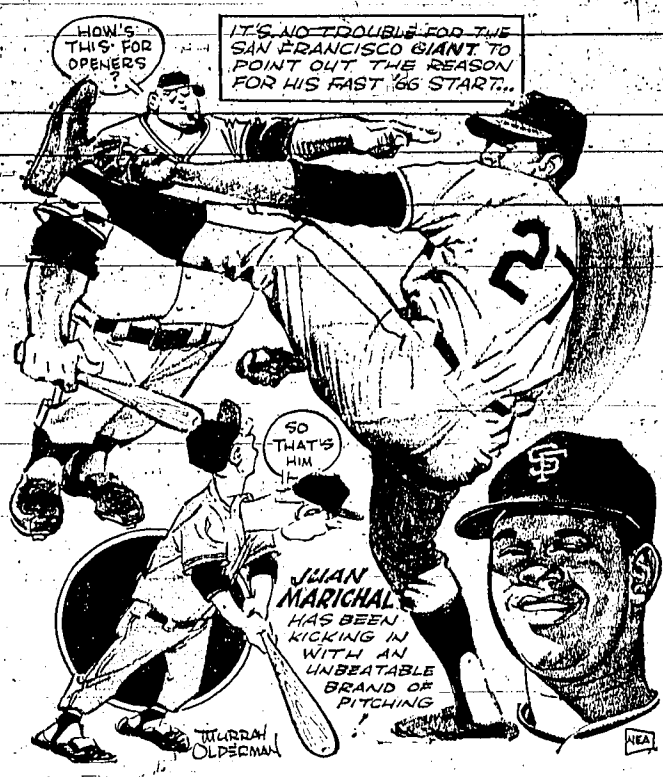

The homer by Nicholson started the Astros on a two-run spree in the sixth. Bateman's triple and Staub's single added the other run, and Bateman homered in the eighth.

New York 000 001 000—1 5 1 Houston 021 102 018—7 9 0 Gardner, Arrigo (3), Bearnark (7), Eilers (8) and Stephenson; Dierker and Bateman. W—Dierker 2-0, L—Gardner 2-3.

Home runs — Houston, Nicholson (3), Bateman (8).

Vandals to Face Colorado State in NCAA Regional Baseball Meet Friday

MOSCOW, Idaho (AP)—The Vandals' trip to the state capital to face Colorado State in the first round of the NCAA regional baseball playoffs, the team's second of four games in the Rocky Mountain area. The Vandals will be on the Bears' home field at Greeley.

The Air Force Academy will be waiting in the wings, ready to shoot down both schools.

To make the trip even tougher, Idaho has been hit by injuries to a pair of key players and lost one of the speediest members of the team that won 31 of 38 regular season games.

Skinner Wayne Anderson, not making any excuses, feels his Vandals will sit high in the water and be ready to fire shell for shell. He calls speed and excellent pitching the properties of his hot Vandal team.

Bill Stoneman will be at the wheel for the opener. He has 6-2 mark and a .45 earned run average.

"I'm really confident," assistant pitcher for us all year," Anderson said. "He's not the only pitcher who has helped us. I've got to give out pitchers considerable credit for our success."

Anderson said either Al Simmons or Kenny Johnson will pitch the second game of the double elimination tournament. Johnson has a 4-2 mark and a 2.79 ERA. Simmons is 6-1 and 1-20.

"We don't have any real power hitters," said Anderson. "But with the speed, we get the extra bases on the hits and our steal to get into scoring position."

The skipper is right; in 38 games Vandals stole 108 times. Wayne Adams is the leading stealer with 18.

Adams won't be with the club for the playoffs, however. A junior college transfer, who didn't graduate from junior college last year, he's ineligible to compete in NCAA playoffs.

Idaho also lost Rich Toney who suffered a broken hand late in the season.

Gary Johnson, the club's leading hitter with a .318 batting average, is playing with a shoulder separation that slowed him late in the year. He'll go back to shortstop for the tourney with Doyle DeMond at third and either Mike Everett or Kenny Johnson at second.

"I was worried when the season started that catching would be a major problem," said Anderson. "But Wally Posey, who played in the infield as a sophomore, has done a tremendous job as a hitter and behind the plate."

Nicklaus Cited
NEW YORK (AP)—Jack Nicklaus, first man to win two straight Masters golf tournaments, also won the April polo of the nation's sports writers and sportscasters in the competition for the S. Rae Hickok Professional Athlete of the Year award.

Late Starters Help Traders Get Off Block

NEW YORK (AP)—Jack O'Donoghue, Matty Alou and Bill Hands have joined Frank Robinson in the ranks of dealers their former owners would like to forget. Milt Pappas' recent winning streak for Cincinnati eased some of the pressure that had been building up on the Reds while Robinson was tearing the American League apart with the Baltimore Orioles. Robinson has cooled off a bit but still was hitting a solid .330 with 10 homers on averages through Tuesday night.

O'Donoghue simply has been untouchable since the Kansas City A's sent him to Cleveland for Ralph Terry and a bundle of cash. Birdie-Tobbetta is having trouble finding a spot in his rotation for the Irishman whose latest effort was a 4-1 record in a game against the Chicago White Sox.

Kansas City let some good ones get away. Jose Santiago was sold to the Boston Red Sox last October for a figure that probably was not much more than the waiver or draft price. The Puerto Rican has been the Red Sox best pitcher with a 4-1 record.

Billy Herman also is getting mileage out of another Kansas City castoff, Ken Sanders, the lefty man who was picked up in the draft for \$25,000. Sanders has appeared in 14 games.

The San Francisco Giants, desperate for bullpen help, went after Joe Gibson of Pittsburgh but gave up Matty Alou who has been leading the National League in hitting in recent days.

Matty kept on asking to be traded because the Giants wouldn't play him every day. Now he finds himself a platoon man in center for the Pirates as Harry Walker alternates him with Manny Mota, depending on the pitching. Gibson (1-2) has helped the Giants.

In order to land relief man Lindy McDaniel and outfielder Don Landrum from the Chicago Cubs, the Giants had to give up Bill Hands and Randy Hundley. Although the Cubs are buried in the cellar, Hands is Manager Leo Durocher's top winner with four victories. Hundley, 24, has become the Cubs' No. 1 catcher. McDaniel has been so-so with a 2-2 record at San Francisco and Landrum is valuable as Willie Mays' caddy.

St. Louis must be a bit embarrassed by the Alex Johnson incident. When the Cards traded Bill White, Dick Groat and Bob Uecker to the Philadelphia Phillies for Art Mahaffey, Pat Corrales and Johnson, it was Johnson who was to supply the Cards power.

The other day the Cards farmed Johnson to the Mets. Mahaffey (1-2) and Corrales (2-3) have not caused any ruckus to be sent up in St. Louis. It

As Anderson put it: "This team is a little different than any one I've had in the past. It's sort of a group thing. No one takes special leadership. We've had the key hit or clutch pitching when we needed it all season long."

Anderson is hoping the "group thing" is still around in Greeley.

Picnic Foods Mounting in Supermarkets

NEW YORK (AP) — The ingredients for summer picnics are mounting in the food markets for the Memorial Day weekend. There are chickens, hams, eggs, watermelons, and more.

Broilers are featured as a best buy in most areas. Beef is more plentiful. Egg prices have been dropping for weeks. Tons of watermelons have moved to market, along with increasing supplies of fresh peaches and cherries.

Heavy rains damaged the strawberry crop in Louisiana and delayed the harvest in Tennessee. Losses to the crop in northern and eastern Kentucky were heavy.

The rains also cut the tomato crops in Texas and Indiana.

There have been blight problems with pears in California, and spotty damage to the sweet cherry crop in the Yakima Valley of Washington.

The result has been lagging supplies of produce in many areas.

Tuna fish, catsup, tomato sauce, stewed tomatoes and tomato juice prices may be headed lower on summer promotions, as canners clean out their supplies.

Supplies of canned red salmon are almost four times as large as a year ago, resulting in lower prices.

Course on Survival Is Slated Here

The Herrett Arts and Science Center will expand its program to include a novel training course in outdoor survival.

Norman Herrett announced Wednesday.

The course will include a five-day survival experience in the mountains in which persons taking the course must survive with only a sleeping bag and the clothes they wear. No food, equipment, matches or a flashlight are permitted.

Herrett understated "This is not a 'pansy' outing. A strong will and a cast iron stomach is what kept the ancient Indians alive, and that is what you will need."

The course of instruction, scheduled to begin June 6, will be taught by Larry D. Olsen, who has taught similar courses at Brigham Young University.

CAUGHT IN CROSS FIRE, two Vietnamese women try to shelter the bodies of their infants as they huddle in a rice paddy in the central highlands, about 280 miles northwest of Saigon. They were photographed during last week's Operation

Davey Crockett by U. S. paratroopers. Scenes like this one have been repeated again and again during the war in Viet Nam as the fighting swings and sways around non-participants. (AP wirephoto)

Carey Auxiliary Plans 2 Events

CAREY — Poppy Day and a cooked food sale both will be held Saturday at Don's Food Bank by the American Legion Auxiliary No. 106.

Poppy corsages and wreaths to decorate veterans' graves were made at the groups meeting. Jeweled flag pins being sold by the auxiliary were displayed by Mrs. Gene Sweet, chairman. Mrs. Leslie Day was a visitor.

The auxiliary fourth district president will be a guest when the auxiliary meets at 2:30 p.m. June 16 at a member's home. This will be the final meeting until August.

Olsen said, "The 'feeling' of primitive life will come only by living it. Understanding of primitive thought and ingenuity can be gained through this experience."

Registration can be made by contacting the Herrett Arts and Science Center.

Needs Spray

KYOTO, Japan (AP) —

For 12 centuries, until the carefully tending tourist, the Seihoji Buddhist temple's moss garden could depend on nature to regularly renew its many-shaded carpets of green. Now the temple is resorting to chemical fertilizer sprays to rejuvenate the plants and restore their lost luster.

GOES OVERSEAS

HAILEY — Capt. and Mrs. Lane McCotter are house guests of Mr. and Mrs. V. K. Jeppesen en route from Ft. Gordon, Augusta, Ga., where Capt. McCotter has completed officers' training school, to Nuremberg, Germany, where he will be stationed. They will fly from here to New York City Friday and

Employment Said Good in Some Areas

Employment opportunities were good in Cassia County during April, states the State Employment Service. Construction was started on an addition to the Cascade Container Plant, which will nearly double their production of cardboard boxes.

One major food processing plant closed during the month, but many of their workers were hired at the other three plants still in operation.

Construction of the Idaho state Highway is progressing at a good rate. Sun Valley closed on April 15 after a successful winter season and reopened early in May.

Construction of a new potato processing plant in the Rupert area is progressing, and is scheduled to open this fall. A shortage of labor in this area makes employment opportunity greater than anytime since November, 1963.

Increased agricultural activity in April brought about an increasing demand for experienced farmhands and irrigators in the Twin Falls area. Consider-

ROUTINE MISSION for the men of A Company was turned into a nightmare by a Viet Cong ambush. At left, those who survived this sudden carnage guard the bodies and equipment.

Alpha Company's Routine Mission Turns Out to Be Viet Cong Trap

By TOM TIEDE
TAN UYEN, Viet Nam, (NEA)—It should have been a routine mission... a one-day sweep-through the jungle, possible light contact, probably nothing more. In and out and then back to base.

It was far from that, however. It was the day A Company was blown to hell. The men had been moving for five fruitless hours. Theirs was the usual method of much in the thick, several snakeskin of probes; each tripping on plant vines, punching through webs of branches, and slapping at the armada of flying and crawling insects.

It was hot, of course, and the stench of decomposition muddled the sweat on the parched and puffing soldiers.

"What I wouldn't give for a beer," somebody sighed. "Knock it off!"

By midday they were deep in the woods. And there it all began.

Rifle fire crackled suddenly from the front, heavy and about knee high. The men instantly fell prone, but for some it did not stop. The level of the ground was too low for them to escape.

It was a perfect trap. The Viet Cong had hollowed out firing tunnels through the wall of underbrush, each almost impossible to detect. Thus the enemy stood—many meters away and shoulder-high in protective trenches—and gleefully blasted lifeless pockets into the jungle of helpless human beings.

Alpha Company returned fire. But at what? And where? And then the mortars began to fall. Movement was useless. Squads shifted and platoons maneuvered, but the explosion of 60mm bombs always followed.

Casualties began to mount. Survivors were split into two groups: those resting and those being rescued. Some, like a young soldier from Red Oak, Okla., qualified for both. He was wounded in the back but stayed on to help organize evacuations.

The lieutenant spent hours limping back and forth between the helicopters and a hell. He would move, hit the ground when a shell exploded, get up, count his legs and move again.

Once while down he heard a thud to his right. It was a mortar, a dud, buried 12 feet from his head.

Such rounds were uncommon, of course. Most of them worked and transformed the area into a chaotic composite of craters and corpses. A dozen men had died and scores more were wounded, some calling for help.

One trooper, caught in a ditch, however, hit the ground and choking on lungs filled with blood. He would have died in moments but was saved by a medic's impossible trick.

The soldier figured a needle and tubing in a pliable plastic bottle, entered the apparatus into the dying man, and squeezing the bottle furiously, sucked the victim's lungs completely clear.

Others were not as fortunate.

3 Area Students Feted at U. of I.

UNIVERSITY OF IDAHO, Moscow—Three Magic Valley students were among the group of Agriculture students honored at the annual agricultural awards assembly at the University of Idaho.

Wilda Margaret Donita, Ketchikan, freshman in animal science, received a \$300 John Monson Award. Tony Gosholt, senior in agriculture, received a \$300 Sears Roebuck Foundation sophomore scholarship.

John Brune, Hazelton, was presented an award from the American Society of Agricultural Engineers for an outstanding graduating senior.

of six fallen GIs. At right, the battle gear of those who didn't make it is stacked after it was trucked back to the base. (NEA staff photo)

Cost of Guided Capitol Tour Is Same as 90 Years Ago

WASHINGTON (AP)—The top cost of a guided tour through the United States Capitol still is what it was 90 years ago: 25 cents.

Up to 12,000 men, women and children take the tour each day, the largest crowds always showing up when spring comes to Washington.

So there are busy days for the Capitol guides, says their captain, Calvin Kimbrough, 46, a Texan who became a guide 11 years ago with the help of the late House Speaker Sam Rayburn.

Up to 68 persons are in each group that walks along the marble corridors, listening to a running narrative on people and events, past and present, who have made or are making American history.

The limitation is set at 68 because that is the number of seats available for this type of tourist in the Senate and House galleries for spectators. A tour takes 35 minutes, and this includes five minutes in each chamber.

"We've had no inflation," Kimbrough said. "Twenty-five cents was the fee set when the guide service was initiated in 1876 to help mark the nation's centennial."

Children under 10, with their parents, make the tour free. Students pay 15 cents.

There were six guides in 1876. By the 1920s the number had increased to 18, and in 1932 it was 24.

So, the guides' pay has increased over the years even though the tour fee has not. Throughout the year the fees are pooled and put in the bank and then divided equally among the guides. Their income now runs slightly more than \$12,000 a year.

YOUR BIRTHDAY and HOROSCOPE

THURSDAY, MAY 26 — Born today, you are, basically, an idealist who approaches every situation and circumstance with an inspirational attitude. Though you are eager enough for success, to be interested in your own gain, you are not so eager to succeed that you lose sight of other things. To you, the best things in life are often those that are free — love, affection, friendship, loyalty, truth, beauty in nature, etc. — and though you like the things that money can buy, you are able to get along with a minimum of such things if you have to.

A born lender, you do not like taking direction from others. In fact, the only time such direction is tolerable is when it issues from one you respect so deeply, either for professional or personal reasons, that you cannot even think of yourself on a level with him. Such people are few and far between, however, and you will probably have to learn the hard way to be an underling when necessary.

It would be difficult to imagine the upset that could cause you any permanent depression. Exceptionally elastic both in mind and in body, you are one of those individuals who bounce back quickly even after real tragedy. You realize that to be alive and to live are two different things, and that only with effort and progressive action can the latter be achieved.

To find what is in store for you tomorrow, select your birthday and read the corresponding paragraph. Let your birthday

star be your daily guide.

Friday, May 27

GEMINI (May 22, June 21) — You should be able to make substantial gains if you make careful plans for business projects over the next four weeks.

CANCER (June 22, July 23) — Be guided by your intuitions today — but only insofar as they do not conflict with your reason. Keep in union with yourself.

LEO (July 24-Aug. 23) — Let matters on the home front take precedence right now over anything else. You'll not be sorry to have turned attention to loved ones.

VIRGO (Aug. 24-Sept. 23) — Check a n tendency toward recklessness in your business or professional career. Not a time of over playing with your future.

LIBRA (Sept. 24-Oct. 23) — Guard your interests well — both those of a professional and those of a personal nature. Be reasonable but firm.

SCORPIO (Oct. 24, Nov. 22) — Keep productivity high and any new competition should be nothing to fear. Results of previous weeks' work should benefit you now.

SAGITTARIUS (Nov. 23-Dec. 22) — Consider again any changes you may be contemplating on the home front. Loved ones should be consulted.

CAPRICORN (Dec. 23 - Jan. 20) — Make certain that your goals are crystal clear and you should have less trouble gaining them. Don't muddy the waters with new directions.

AQUARIUS (Jan. 21-Feb. 19)

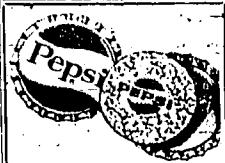

You may anticipate recognition for work already completed. Don't expect too much in the way of praise for a present project, however.

PISCES (Feb. 20-March 21) — Make business contacts as early in the day as possible. You may need to make use of them before the evening is over.

ARIES (March 22-April 20) — Take things as they come during a poor morning. Though the hours may be trying, the benefits may be unusually satisfying.

TAURUS (April 21-May 21) — Personal interests should be coming into prominence now. Don't turn your back on a plea for help, no matter how casually made.

THIS IS THE DRINK THAT IS! SMIRNOFF® MULE

WOODY ALLEN AND MONIQUE VAN VOOREN

It's the drink to start with and stay with — a cool refreshing Mule made with Smirnoff and 7-Up®. Pour a jigger of Smirnoff over ice. Add juice of 1/4 lime. Fill Mule mug or glass with 7-Up to your taste. Delicious!

Set of 6 Mule mugs \$3.00. A great idea for parties. Send check or money order payable to Smirnoff Mule, Dept. T, P.O. Box 228, Brooklyn, New York 11202.

Travel Guide

Lists Area

Attractions

Magic Valley tourist attractions, including some of the most popular scheduled summer activities, are published in the 1966 edition of the 1000 Mobil Travel Guide, now in circulation.

The Idaho section, in alphabetical listing, gives information about motels and restaurants in 10 Magic Valley towns as well as a number of others in the Chubb and Sawtooth National Forests.

In the vicinity of Buhl, tourists are invited to view Balanced Rock, Snake River Trout Ranch, Clear Lake, Banbury Hot Springs, and Thousand Springs Resort.

The City of Rocks, Sawtooth National Forest and the Pomeroy Ski area are suggested tourist attractions in the Burley area.

The Idaho section, in alphabetical listing, gives information about motels and restaurants in 10 Magic Valley towns as well as a number of others in the Chubb and Sawtooth National Forests.

Ketchum areas include the Sawtooth National Forest, Sun Valley Lodge, Challenge Inn, Chubb Lodge, Village, Chubb Lodge, Etcham Lodge, and the Wood River. A famous annual event of this area is Wagon Days, a parade of historical horse-drawn vehicles, including ore freight wagons of the 1890s.

The Mackay Road is an exciting annual event recommended for tourists who will be in the Mackay area. Also in that vicinity, Mackay Reservoir provides water sports and fishing.

The Shoshone Indian Reservation contains interesting Indian artifacts, minerals and game. The Shoshone National Monument provides free overnight camping, the guide advises.

Visitors in the vicinity of Stanley are advised to tour the Redfish Lake Visitor Center, on pack trips into the Sawtooth Primitive area and see the ghost mining towns of Bonanza and Custer.

Visitors to Twin Falls are urged to view Shoshone Falls and Shoshone Falls Park, Per-

vine Memorial Bridge, Twin Falls and Twin Falls Park, Snake River Gorge, Horner's Museum, Placardium and Observatory, the South Hills Recreation Area and Magic Mountain Ski Area.
